AGAIN Chrysler SETS THE PACE!

Why shift gears? .. when you can get improved Chrysler Fluid Drive with 2,000,000,000 miles of owner satisfaction behind it!

IT HAS happened again! Chrysler Fluid Drive and Vacumatic transmission have started a trend the motor car industry is attempting to follow.

The overwhelming popularity of Chrysler Fluid Drive makes it natural that various kinds of "liquid" and "automatic" drives should now appear. Some of these designs only remotely resemble Chrysler Fluid Drive... either in principle or in results. For real driving satisfaction, it is still best to buy genuine Fluid Drive... the one backed by greatest experience and favorable public acceptance.

Now going into its fifth year, Chrysler Fluid Drive has got all America asking "Why shift gears?" But only Chrysler can give you Chrysler's tested and proved answer to this question.

More than two billion miles of owner satisfaction recommend Chrysler Fluid Drive and Vacumatic transmission. Further advanced in the beautiful new Chryslers, this famous drive gives you the peak of effortless driving... liquid smoothness... fuel conservation... more power per gallon.

Try Fluid Driving in a Chrysler. It's the biggest thing in modern motoring! We'll be delighted to show you just how thrilling it is.
