# Palmer C. Bierly **Sets Sales Record**

Rebersburg Salesman Honored by Allen Calculators, Inc.

The award of merit for the greatst number of R. C. Allen cash registers installed, sales potential considered, went to Centre county's Palmer C. Bierly last month,

Perhaps it is Mr. Bierly's enthusiasm and knowledge of the application of his machine to the average store keepers business which did the trick. Perhaps it was what he calls his "bargain offer" which gives the merchant both a cash register and an adding machine at less than the price of the ordinary

cratic opponent, Gleason, Mr. Kel- Centre county in the spotlight and ley is quite well known in Centre its "orchids to Mr. Bierly" for an county, especially among the mem- outstanding job in the local representation of one of the country's leading manufacturers of cash reg-

These new machines, according to Mr. Bierly, do about everything except talk. They tell the merchant exactly how much money he took n, divided into seven different departments. They show charge sales with the name of the customer so here can be no over-charges (or nder-charges). They register mony paid on account and money paid ut and show which clerk was responsible for each transaction. At the end of the business day, the egister is instantly convertible into an adding machine for totaling the bank deposit slips, checking invoices and for doing dozens of odd adding jobs which are all in the days work of running a retail store.

FARM CALENDAR

Timely Reminders From The Pennsylvania State College School of Agriculture

will be better for growing vegetables pext spring if crop remains are cleaned up and a winter cover crop seeded, point out gardening specialists of the Pennsylvania State College. Loss from soil erosion and leaching will be prevented by a good cover crop. Plant food elements, as applied in fertilizer, will be taken The injured are: Jean Whitehill, Thompsontown bank, were freed up and held by the roots of the 20, Lemont; Fred Shirey, 25, Wood- upon suspended sentence in the cover crop for use by next year's land; Mrs. Sarah Drum, 63, Forks- Scranton court last week.

next summer by properly cleaning get out of debt. up this fall, announce plant pathology extension specialists of the Pennsylvania State College. The remains from asters, delphinium, and sweet peas should be burned to destroy the wilt diseases which may be present and which will otherwise live in the soil for years. The tops of peonies, iris, chrysanthemums and other fall blooming perennials may be cut and piled in an out of the way place until they decay before being used as a supply of humus for the garden.

# Civil Defense Meeting Here

activities which the State Council of Defense has asked Local Defense TUESDAY & WEDNES. Councils to include in their winter program

While still tentative, the list of speakers includes Dr. Ross Cameron. Regional Medical Officer of the U. S. Office of Civilian Defense; a field representative to be assigned by the American Red Cross; and Sergeant A. William Ryne, of the Philadelphia Police College.

Sergeant Ryne has had a leading part in the program of air raid and fire protection in Philadelphia. "The institute will not be an entertainment; it will be a program of instruction," said County Chairman Freeman. "It is expected to be of great value to Defense Council members of this county and also to other community leaders desiring to get better knowledge of civilian defense plans," he added.

Scorched Silk Light scorch stains on white silk can be removed by dampening a eloth with peroxide of hydrogen, laying it over the scorched spot, and then putting a dry cloth over the dampened one and pressing this with a warm iron. Do not allow the iron to touch the cloth we with peroxide of hydrogen.
