ABOVE ALL . . .

Have Faith In Your Government!

The new Federal Reserve Regulations were not designed to work a hardship on you . . . or to curb installment buying . . . They are meant to protect you, and curb certain evil practices. Look into them thoroughly . . . You will find that installment buying is still easy!

Easy Payments!

THE NEW FEDERAL REGULATIONS FOR THE PURCHASE OF FURNITURE AND APPLIANCES ON TIME PAYMENTS HAVE BEEN GREATLY MISUNDERSTOOD BY THE PUBLIC. IN TRUTH, CONDITIONS GOVERNING THIS METHOD OF MERCHANDISING HAVE, IN ONLY A FEW INSTANCES, CHANGED POLICIES IN EFFECT BEFORE THE NEW LAWS WERE PASSED!

Here Are the Facts:

APPLIANCES

Home Appliances, including: Electric Refrigerators, Electric Fans, Irons, Household Ironers, Ranges, Radios, Phonographs, Sewing Machines, Stoves, Room Unit Air Conditioners, Heaters, Hot Water Heaters, Toasters, Grills, Electric Air Heaters, etc.

Down Payment . . .

20% down payment is required on Appliances . . . for example, if selling price is \$80, down payment is \$16.

Monthly Payments . . .

Up to 18 months to pay balance due, depending on the policy of the dealer.

The Federal Tax . . .

The Federal Tax on Appliances has, in most instances, been absorbed by the manufacturer.

FURNITURE

Down Payment . . .

Federal regulations require no more of a down payment than most Centre County Furniture Dealers have asked in the past.

Monthly Payments . . .

Balances due after down payment has been deducted may be paid in small monthly payments not exceeding 18 months—this depending on dealer policy.

And There Is NO TAX!

(FEDERAL—STATE OR LUXURY)
