lives to eat. By and large, and regardless of the shape of one's stomach, Americans have the weakest and the most "complaining" stomachs of any people in the world. This trouble is mainly due to speed, speed—and more speed.

**DO YOU KNOW**  
Epidemiologists claim that between 5 and 10 per cent of the population of the United States harbor the germ of *amebic dysentery*, which would mean that between six and twelve million people in this country are potential victims of the disease. Iron is one of the oldest medicines in the world and is still one of the most dependable for certain types of anemia. Prescriptions as far back as 1600 B. C. required the use of iron.

Shuey and Margaret Keller shopped in Altoona Saturday. Harriet Showers and Thelma Evey spent the weekend in Philadelphia.

Paul Lego was home from Philadelphia over the weekend.

Mrs. Nevin Struble and infant daughter arrived home from the Centre County Hospital, Monday.

Mrs. Krzyder Yarnell and infant daughter arrived home from the Centre County Hospital, Monday.

Mrs. Wilbur Ripka, who was a surgical patient in the Centre County Hospital, was able to return home a few days ago.
