He didn't know the DOUBLE FEATURE PROGRAM --- Feature No. 1 ---batteries had become recharged until Westervelt called him, and be All-American Co-Ed' For this reason, the promptness of With Frances Langford and

Johnny Downs.

Feature No. 2 ---

the two aircraft spotters in reporting the ship's actions over the airport prevented what in nine case out of ten would have been a fatal crash, observers said.

Shortly after landing, the group of men continued their trip to Williamsport by car. The position of the wrecked plane was marked with red lanterns until the next day when the ship was towed into one of the hangars to await instructions for its final disposal.
