SCOTIA

By HARRY WILLIAMS

Happy New Year to all. After a little rest period of about four or five weeks I will now try and score up a little news, as I am reminded each week why I do not have any news in the papers. It is like when these little news items are hard to put news in the papers. Mr. and Mrs. Adrian Stine of Waddie, moved a couple of weeks ago from the Brown property at Pine Top into the house of Clarence Blair along the highway near the Ebbes service station. Mr. and Mrs. Thomas Stine moved last week from the Hartsock farm (formerly the Charles Behrer farm) to Lemont. Mr. Stine has returned to his old position as janitor with the Pennsylvania State College. Mr. and Mrs. William D. Stine of Paradise, moved this week from the Hartsock property to the Meek bungalow at Waddie. We were sorry to hear that our good neighbor William G. Saxton, was taken to the Phillipsburg State Hospital last week. His condition at the present time was reported to be good. He was just returned from a trip to Washington, D. C. with his two granddaughters when this ailment came upon him and he was ordered to the hospital by his doctor. From what can be learned, it is a kidney and bladder condition. The visitors at the Williams home on New Year's Day were Mr. and Mrs. James A. Young and three children of Bush Addition, Bellefonte, and Mr. and Mrs. Raymond Young and four children of Coleville, who came up to help Dad with the butchering. Other visitors here were Mr. and Mrs. Ray Kellerman of Bellefonte, and Mr. and Mrs. Charles Kookan and two children of Tyrone. Mahlon Ghaner has accepted a position at Baltimore. His wife and two small children joined him there last week. Another home is being added to Sovietia. Dean has started to build himself a home next to the Mahlon Ghaner property. Also added to the list of new homes is the one being built by Clifford Close on the old Kelley land near Ebbes service station. Mr. and Mrs. Arthur Thomas of Paradise, spent last Saturday in Bellefonte shopping. When asked if he was still mayor of Paradise he said yes, that he has held the job long enough now that nobody could take it away from him. Arthur has lived there a good many years and we can all remember that he has been mayor all these years. Many more to you, Arthur. As we arose last Sunday morning and peeped out the window to see seven inches of snow on the ground, we then came to the conclusion that we were having our first real snow of winter. Quite a lot of our people in the valley have been housed up with one winter complaint or another, and some with the measles. Quite a few have been laid up with intestinal trouble. The members of Grays M. E. church held their monthly church meeting at the home of Mr. and Mrs. Daniel McElhattan (the former Clemson Mansion), on last Friday evening. The home was well decorated for the occasion. There was quite a large gathering, and they made it a New Year's party. The Evangelical Ladies' Aid held their January monthly business meeting at the home of Mr. and Mrs. C. E. Kremer last Tuesday. After the regular business procedure a social hour consisting of a game of cards and games was enjoyed by those present. The harvest snowfall this month occurred on Saturday night when an eight-inch snow fell. The coldest snowings in December were the 11th at 14 degrees, the 21st at 12 degrees, and the 30th at 12 degrees. For this month, January, the coldest reading of the mercury stood at 19 degrees above zero. Keep in mind the revival services in the local Evangelical church which began on Sunday evening. Come and enjoy the services consisting of a song service and then an excellent and spiritual sermon delivered by the pastor, Rev. H. A. Houseal. We trust all the boys that will be called to the colors in the near future will avail themselves of the wonderful opportunity to prepare for their eternal home. We sincerely hope that no soldier boy will go to battle against this great evil without having first sent a fervent prayer to Almighty God as David did of old, to overthrow and conquer this arch fiend of liberty and justice. These services will be continued for at least two weeks. D. J. Benner is very ill at this writing. We trust he may soon recover again from his old complaint, heart trouble. We're informed that Mr. and Mrs. Ray Noll expect to move to Bellefonte in the near future so as to be nearer his place of business. How thankful we are as citizens of the United States should be that we have a President to direct us to united prayer to Almighty God to lead us on to victory in this great struggle for freedom and justice. We've been finding out by radio and personal contact with Christian people that thousands upon thousands of persons called on God all over the world on New Year's Day to give us victory in Jesus' name through the united armies, navies and air forces to wipe out the great forces of the dictators. (From Last Week) Mr. and Mrs. Bruce Motz and daughter Joan left for their home in Buffalo, N. Y. on Saturday, after having had a delightful Christmas vacation with his brother and family. Mr. and Mrs. E. W. Motz, as well as other relatives. Mr. and Mrs. E. W. Motz presented their son Carl with a new 1942 Chevrolet sedan as a Christmas gift. A number of beautiful electric Christmas decorations were seen during the holiday season, notably Mr. and Mrs. C. E. Kremer, Mr. and Mrs. Harold Ard, Mrs. Stewart Eisenhuber, Mr. and Mrs. George Stover, Mr. and Mrs. E. W. Motz, D. J. Benner and others.
