Notice to Farmers!

I want to warn all farmers in my territory of this emergency situation which you have been warned of by the Agriculture Department about ordering repairs for all machinery at this time, due to the shortage on account of the defense program. I also have a plan in which I will repair Farm Equipment at a special rate during the months of January and February. I will call at your farm with my truck and bring to our repair shop and will give you a special rate for transporting all machinery. I have one of the best repair shops in the surrounding territory for repairing Farm Machinery. We specialize in repairing Oliver and Massey-Harris Tractors.
