

OBITUARY

HARRY L. QUICK

Harry L. Quick, of Snow Shoe, native of Boggs township and former resident of the Miesburg area, died at 5 o'clock yesterday morning, March 11, 1942, at the home of George Pierce, in Ketytown, after an extended illness. Mr. Quick, son of George and Margaret McMullen Quick, was born in Boggs township 77 years ago. He is survived by a brother, William, of Lock Haven, and a sister, Mrs. Grace Allison, of Altoona. Mr. Quick was a carpenter by trade. Funeral services will be held at the Wetzel Memorial Chapel in Miesburg, at 10 o'clock Saturday morning, with Rev. L. F. Sheets officiating. Interment will be made in the Advent cemetery. Friends may call at the Wetzel Funeral Home, Miesburg, Friday evening.

AMMON J. HAZEL

Ammon J. Hazel, retired merchant and school teacher of Boalsburg, died at his home at 3:15 p. m. Monday, March 9, 1942, of a heart attack. He was 74 years, 11 months, and 12 days old. The decedent was born March 27, 1867, at Madisonburg, a son of William G. and Sarah Zuber Hazel. His wife, the former Carrie Roush, survives with four children, Mrs. Charles Faxon, Boalsburg; Mrs. Charles Maxwell, Slingerlands, N. Y.; Gladys Hazel, Glastonbury, N. J.; and Mrs. James Horner, Boalsburg. Surviving brothers are Albert, of Unionville; William, of Bellevue, O.; Byron and Edwin, of Youngstown, O.; and Norman, of Aronsburg. Nine grandchildren also survive. Mrs. Hazel was a member of the Boalsburg Reformed church. Funeral services will be held Thursday at 2 p. m. at his late home, with Rev. T. G. Jones officiating. Interment will take place in Boalsburg.

F. EUGENE HALL

J. Eugene Hall native and lifelong resident of Fleming, died at the home of Mrs. Harriet Askins in that community at 7:30 o'clock Tuesday evening, March 10, 1942, after an illness with a complication of diseases. Mr. Hall was a son of Daniel and Frances Peters Hall and was born at Fleming on December 29, 1870, making his age at time of death 71 years, 2 months and 10 days. He was united in marriage with Mary Zella Mahaffay, who is the sole survivor in the immediate family. Mr. Hall was a graduate of the State Teachers' College in Lock Haven, and of Penn State College, where he majored in chemistry. Funeral services will be held at 2 o'clock this Thursday afternoon at the home, with the Rev. William Snyder, pastor of the Methodist church, officiating. Interment was made in the Oak Ridge cemetery. Mr. Hall for some years had served as an officer of the Oak Ridge Cemetery Association.

MRS. ALICE J. W. LEATHERS

Mrs. Alice Jane Woomer Leathers, of near Howard, died at 12:25 o'clock Tuesday morning, March 10, 1942, at the Centre County Hospital of complications after an illness which began Saturday, Mrs. Leathers, who was 61 years, 1 month, and 12 days of age at the time of her death, was born October 28, 1875 in Boggs township. Her husband, Harry Leathers, and these children survive: Mrs. Ray B. Love, Mr. Eagle, Samuel B. M., Estel, Mrs. Irvin C. Center and Mrs. Raymond Gates, of near Howard; and Miss Alice E., at home. Four sisters, Mrs. Amanda Boyer, Mrs. Amelia Rickard, Howard, R. D.; Mrs. Mary Hyson, Pitcairn; and Mrs. Hannah Thompson, West Brownsville, survive with 21 grandchildren and one great-grandchild. The deceased was a member of the Methodist church for over 50 years and of Lodge No. 297, P. of H., of Howard. Funeral services will be held this Thursday at 2 p. m. at her home, with Rev. Wallace J. Cummings officiating. Interment will take place in Curtin cemetery.

GEORGE C. MILLER

George C. Miller died at his home on Willowbank street, Bellefonte, at 11:10 o'clock Sunday night, March 8, 1942, after a six months' illness. Mr. Miller, employed by the Sutton Engineering Company here until about eight months ago, had been confined to bed for the past several months. The deceased was a son of George and Ellen Sunday Miller and was born near Shiloh on October 11, 1880, making his age at time of death 61 years, 4 months and 27 days. Surviving are his wife, the former Della Noll; and three sons, Ralph, of Miesburg; Paul, of Niagara Falls, N. Y.; and Fred, of Bellefonte. Mr. Miller lived at Axemann for a number of years, moving to Bellefonte about five years ago. He taught manual training in the Scottsdale high school for eight years; taught

Board Seeks to Close Part of Lamb Street

(Continued from page one)
steel for the new school was delivered on the site Monday by the Reading Steel Products Company, and no further obstacles in securing steel are in sight with the exception of plate steel members, regarding which some question still exists.

Action upon a recent request of Bellefonte Borough teachers that salary increases be granted because of increased costs of living, the board Monday night unanimously passed a resolution to the effect that salary adjustments would be considered in preparing the new budget and that such adjustments would become effective as of July 1. The board indicated that it would first have to determine how much money would be available for that purpose and then distribute such funds on an equitable basis.

Because much of the equipment for the metal shop in the new building cannot be obtained because of war regulations, the board cancelled the equipment contract, resulting in a saving of \$2,953.75. A color scheme for the interior of the new school was approved.

The old State Highway Department building on Wilson street has been rented at \$25 a month for use in storing school equipment until it is ready to be installed. The structure, largely of metal construction with concrete floors, is of ample size and is well provided with locks, it was reported.

The Finance Committee was instructed to have the new school budget ready for presentation to the board at the next regular meeting. Tax Collector O. A. Kline is to be instructed to issue wage attachments for collection of unpaid 1941 per capita tax.

The Education committee of the board was instructed to work with the Bellefonte Parent-Teachers' Association in a plan suggested by the P. T. A., whereby all children about to enter the first grade of Bellefonte schools next term would be given their first physical examination during the summer months. The advantage of such a program, it was pointed out, would be to give parents an opportunity to have corrective treatment administered during the summer before school opens.

A letter from Miss Ethel Dale, of Bellefonte, complaining of the board's failure to give her a teaching position in local schools was read and placed on file.

In his report, Supervising Principal E. K. Stock noted that while there were a number of absences during February because of colds and grippe, few cases of communicable diseases were reported. Twenty-one pupils were given corrective treatment for handicaps; three were fitted with glasses by the Associated Charities, and the Salvation Army provided funds for several tonsilectomies. The circulation of the school library during the month totaled 925 volumes, and 77 new books were received.

Attendance average in the elementary grades reached a new low of 92 per cent for the month, largely because of colds and bad weather. The high school average held steady at 95 per cent.

The board, on motion, guaranteed payment of a note for \$500 of the Athletic Association.

Mr. Stock reported that when the new school is opened a physical education teacher and an additional commercial teacher will be needed. Since teachers of these subjects are difficult to obtain, applications are to be sought at once.

The board voted in favor of paying the expenses of Supervising Principal E. K. Stock to the annual Schoolmen's convention to be held in Philadelphia from Wednesday until Saturday of next week. In connection with his trip Mr. Stock was instructed to attempt to secure some needed priorities on equipment, and to go to Washington, D. C. for that purpose, if necessary.

10 COUNTY STUDENTS ON LIBERAL ARTS LIST

County students listed on the Penn State Liberal Arts School Dean's List, announced by Dr. Charles W. Stoddard, dean of the school, include nine State College students and one Bellefonte student. Those listed have attained a minimum average of 25 for the semester's work. Seniors on the list are Mary Betty Anderson and Donald K. Struble. Miss Anderson is one of five seniors to have a 3.0 average. Juniors are Ruth F. Cromer, David M. Thompson of Bellefonte, Morton J. Rubin, Aldea Snow, Elizabeth J. Foss.

Sophomores who qualified are Emma Elizabeth Pleemeyer and Kenneth S. White. Ruth B. Davey is the only district freshman to attain the average.

Barrens Camp Project Fading

(Continued from page one)
planes have been hovering over the Pennsylvania Furnace section seem to have no foundation in fact. A Pine Grove Mills resident reports that "Army men" have been in that community for several weeks, but whether their mission is connected with the rumored army base is not known.

What is believed to be one of the best indications that the Army has no plans in this immediate vicinity is that none of the large landowners have been interviewed. This, in normal circumstances, would be one of the first steps to be taken.

The petition being circulated among Ferguson township farmers reads: "We, the undersigned, believe that the land of Ferguson township, Centre county, Pennsylvania, will be far more valuable as a production center than as a military training camp."

The road to financial success is still paved by hard work, regardless of pensions, bonuses, benefits and grat.

Girl Scouts To Camp at Baree

Three Two-Week Periods to be Held; Schedule for Age Group Announced

Miss Harriet Vernon, Director of Camp Baree, has announced that the Girl Scouts camp will be open for six weeks of camping this summer from June 28 to August 8.

In answer to the many inquiries from parents concerning the advisability of conducting camp during wartime, Miss Vernon states that National Headquarters of the Girl Scouts heartily endorses a camp program and urges parents to take advantage of the splendid opportunities offered to their children.

The camp affords a sane program of recreation so necessary for mental and physical health. Two weeks in the outdoors can offer new interests, new inspiration and release from war tension at home to Girl Scout campers, officers said. The camp also provides specialized training for today's needs. There will be training in the ways of Democracy with definite instruction in practical ways for Girl Scouts to put their patriotism to work to serve their country. This will include such activities as the care of younger children, first aid, cooking in large quantities, fire and accident prevention, use of natural materials and substitutes, economical use of food, and other materials.

The six weeks' camping period, three two-week sessions, will be divided as follows: There will be two-week periods for Brownies and only 15 will be accepted for each period. Dates for Brownies are July 12-25 and July 29-Aug. 8. There will be an apprentice unit for girls (17-18) interested in learning how to be counselors, from July 12 to August 8. There will also be a special older girls unit for Senior Service Scouts from June 28-July 11. Gypsy camp for girls 15 or over will be held August 13-27.

Those desiring to go for one week only will be accepted the first or second week.

CATHOLIC DAUGHTERS IN REGULAR MEETING

Members of the Catholic Daughters of America of Bellefonte, met Monday night in the K. of C. rooms in the Farmers' Bank building, Miss Catherine Hartle, grand president, presided at the meeting at which 15 were present.

In addition to routine business it was decided to sponsor a first aid class to be held every Thursday night beginning March 19. The class, to be conducted by Fred Hayes, will be held in the Logan fire house on East Howard street, at 7:30 p. m. Mrs. Mary J. Gray and Mrs. Elizabeth Dunlap were chosen chairmen. Miss Marie Kelleher is chairman of a home nursing class to be held at a later date.

Plans were also discussed for serving the annual banquet for the United Fire Company of Bellefonte, on March 17. Mrs. Ruth Casper is chairman of arrangements. The usual reports were given.

Fire Official Is Club Speaker

(Continued from page one)
has a much greater fire loss than Europe, partly due to the building materials, but also accounted for by the greater American carelessness of the magnesium type bombs. These are released in clusters, about 15 per cent of them are effective in that they fall upon materials that can be burned. They are 14 inches long and weigh two pounds. It is impossible to prevent their burning, but water sprayed over them will make them burn out quicker and do less damage, as will the use of sand to smother the flames.

Several pictures of a patriotic nature were shown through the courtesy of the Titan Metal Company, C. E. Garbrick operating the projector.

"RED HEN" VISITING AT FIRST GRADE HERE

"Red Hen" has made another personal visit to first grade, Allegheny street school. She appeared Monday morning and is now very busy keeping her nest of eggs warm in a big box in the corner of the room.

The children are counting the days until the little chicks will be hatched. They expect them to arrive a few days before Easter.

Many phases of nature study are experienced in having "Red Hen" under close observation, and her visit offers opportunities to correlate reading, number work, writing, and many other activities carried on in the grade.

In 1942, as in other years, Centre county will furnish its share of those who die on the highways.

RECENT WEDDINGS

Smith-McGovern
Miss Anne McGovern, daughter of Mrs. Maude McGovern, of Pine street, Bellefonte, became the bride of Harold Smith, son of Mr. and Mrs. Frank Smith, of Centre Hall, at a ceremony performed last week in Maryland. The bride is a graduate of the Bellefonte High School and has been employed in the insurance offices of Mrs. Mary J. Gray and Mrs. Mary Faubie, in the I. O. O. F. building, West High street.

Mr. Smith attended the Centre Hall-Potter Township High School and formerly was employed as an electrician at the Electric Supply Company, Bellefonte, and later in Harisburg and Baltimore, Md. He is now employed in Charleston, S. C., where he and Mrs. Smith are making their home.

ADDITIONAL WEDDINGS ON PAGE SIX—SECOND SECTION

Opens Bus Line For Titan Workers

(Continued from page one)
cars. The daily schedule of the new line will be found in an advertisement appearing elsewhere in this issue.

Bus stops have been established at the hotel in Millheim; the hotel in Spring Mills; the Grange Hall and at Miller's Garage, Centre Hall; and Noll's store and Rote's store at Pleasant Gap.

Round trip weekly rates are as follows: Rebersburg to Bellefonte, \$3.50; Millheim to Bellefonte, \$3.50; Centre Hall to Bellefonte, \$2.00; Spring Mills to Bellefonte, \$2.00; Pleasant Gap to Bellefonte, \$1.40. Each weekly ticket, good for seven round trips, may be purchased from the bus driver at any time and are good until fully used.

State College Board Issues Tire Permits

Maurice Baum, of State College, chairman of Centre county tire rationing board No. 1, with headquarters in State College, reports that during the first week of March the board granted permission for the purchase of the following tires and tubes:

Samuel Rudy, Pine Grove Mills, 1 passenger tire, obsolete; Thomas G. Jones, Boalsburg, 1 passenger tire and 1 tube; Robert M. Mingle, Spring Mills, 2 truck tires; Edward L. Lingle, Spring Mills, 2 passenger tires, obsolete, and 2 passenger tubes; J. C. Musser, Woodward, 1 truck tire and tube; H. A. Houseal, Millheim, 2 passenger tires; G. A. and M. F. Spearly, State College, 2 passenger tires; T. H. and L. C. Rote, Spring Mills, 1 truck tire and tube; Sam B. Reed, Pine Grove Mills, 2 passenger tires; Willis E. Bron, Spring Mills, 1 passenger tire and tube, obsolete; Scott W. Decker, of Spring Mills, two passenger tires and 2 tubes; C. S. Myers, State College, 1 truck tire and tube; Lester Gill, Pleasant Gap, 2 truck tires; Mohrner Lumber Co., State College, 1 truck tire and tube.

FRAZIER HUNT BECOMES G. E. NEWS COMMENTATOR

The Electric Supply Company, of Bellefonte, and other General Electric dealers throughout the nation, are sponsoring a new radio program from 6 to 6:15 p. m. every Tuesday, Thursday and Saturday, over station WABC. The program began March 3rd.

The commentator is Frazier Hunt, author, war correspondent, and a world traveler, who has seen history in the making and rubbed elbows with saints and sinners, generals and private soldiers, Nobel prize winners and illiterate peasants. Hunt is a native of Illinois and onetime editor of a small newspaper in the midwest. He joined the staff of the New York Sun in 1916, and from New York went to San Francisco, then to France, then to Russia. After that he made two trips around the world, with several long sojourns in Europe. Today he generally spends his spare time on his ranch in Alberta, Canada.

BUS TO CARRY WORKERS TO PLANT

This is to announce the establishment of a bus route between REBERSBURG and BELLEFONTE, via Millheim, Spring Mills, Centre Hall and Pleasant Gap. This bus line will be used to haul TITAN EMPLOYEES to and from their work.

A Certificate of Public Convenience to operate this bus line has been secured by Palmer C. Bierly of Rebersburg, and actual operation of the line will begin Monday morning, MARCH 16, 1942. Beginning on this date, buses will travel to and from the above mentioned places every eight hours in order to accommodate employees on every shift.

Mr. Bierly also announces that his brother, who is in business with him and is his chief mechanic, will operate the bus. This will insure that employees can expect satisfactory service.

In order to insure the success of this project, the Titan Metal Manufacturing Company management is 100% behind Mr. Bierly. The operation of its Bellefonte plants is essential to National Defense and is dependent upon employees living at a distance being able to report regularly for work. With the present rubber shortage becoming more acute daily, this bus route offers the most sensible solution to this difficult problem.

Following is the schedule which will be followed by Mr. Bierly:

| | | | |
|--------------------|------------|------------|-------------|
| Leave Rebersburg | 5:30 A. M. | 1:30 P. M. | 9:30 P. M. |
| Leave Millheim | 5:45 A. M. | 1:45 P. M. | 9:45 P. M. |
| Leave Spring Mills | 6:00 A. M. | 2:00 P. M. | 10:00 P. M. |
| Leave Centre Hall | 6:15 A. M. | 2:15 P. M. | 10:15 P. M. |
| Leave Pleasant Gap | 6:30 A. M. | 2:30 P. M. | 10:30 P. M. |
| Arrive at Titan | 6:45 A. M. | 2:45 P. M. | 10:45 P. M. |
| Leave Titan | 7:00 A. M. | 3:00 P. M. | 11:00 P. M. |

Workers have many advantages when compared with fighting men, drawing \$21 a month.
