Immediately After an air raid

That's when calls FOR HELP are most important

is a critical time

That's when Air Wardens or other officials must call for ambulances, for doctors, for fire-fighting apparatus.

If the telephone lines are crowded with other calls, the calls which may mean life or death do not get through.

For a full hour after the "all-clear" signal, do not use your telephone. Keep telephone lines clear for emergency calls.

PLEASE REMEMBER-
