lightly salted and churned only from SWEET (not sour) cream. Land-O'-Lakes has given a new meaning to the word "quality" in butter. It is churned only from fresh SWEET (not sour) cream; it stays fresh and sweet even in warm

weather. It gives hot breads, steaming vegetable dishes and sizzling steaks a surprisingly different and delicious flavor.

She has also decided to use Borden's cheese spreads. The cheese as digestible as milk itself. A delicious food children love!

Some of the cheeses to be had at our store are: Cream Cheese; Roquefort, American Chateau, and many kinds of spreads in attractive glasses.
