#### TO THE REPUBLICAN VOTERS OF CENTRE COUNTY

My opponent, in a recent issue of the Keystone Gazette, stated that he had been drafted as a candidate for Chairman of the Centre County Republican Committee, adding that he was not needy and that none of his relatives were needy.

The attention of the Republican voters is directed to the fact that in 1939 my opponent was drafted by Mr. Melroy, then County Chairman, as a member of the Melroy patronage board, to pass on the applications By Needy Republicans for Jobs. These Needy Republicans were informed that their applications were okey'd and forwarded to Harrisburg and that in due time they would hear from them. The fact is, however, that hundreds of these applications of Needy Republicans are still pigeonholed somewhere in the county and were never sent to Harrisburg. Mr. Melroy got his job. He may have been in the same class as my opponent and was not needy nor had he any needy relatives. More anon.
