Police Ban Noise By Wedding Parties practices by reporting violations

Chief of Police Harry Dukeman, of Bellefonte, yesterday announced

For many years it has been the custom of wedding groups to carry new bridegrooms and brides about town in cars or trucks, with horns sounding constantly and other noise-making devices being used to attract attention.

With the serious business of possible air raids now on the horizon, unnecessary noise is being frowned on by officials, and in the future wedding party horn-blowers will be arrested for unnecessary sounding of horns and will be fined \$10. The costs in such cases are an additional \$2.50, Chief Dukeman said.
