#### TUESDAY: THE DAY OF CON- Then, by parabolic teaching, Jesus FLICT.

Sunday School Lesson

For May 17, 1942.

GOLDEN TEXT: "The stone which the builders rejected, the same was made the head of the corner."-Mark 12:10.

Lesson Text: Matthew 21: 22-23: 29.

come to Tuesday, the Day of Teach-Bethany early in the morning, Jesus

question: "What think ye of the Christ? whose son is he?" They gave Christ? the expected answer, "The son of David." Then Jesus asked them an- feverish,

"The Lord said unto my Lord, Sit thou on my right hand, neath thy feet."

They've fought a good fight and ed men retired from his presence turn to Christ. and dared not ask him any further "What think ye of Christ?" The a mind which so swiftly and natur- ing God." Andrew declared

quality of superb intellectuality."

taught that the people of Palestine, who were regarded as the greatest sinners, were nearer the Kingdom of God than were the hypocritical Jews (Matt. 21; 32). He warned the Jews that they were rejecting the Son of God, and that because of this rejection, the kingdom would be given to the Gentiles (Matt. 21: 42-43). He revealed that only the prepared in heart would come into God's kingdom (Matt. 22: 12-13). He taught that every citizen has duties In our lesson for this week, we 22: 21) He also clearly taught that both to the state and to God (Matt ing. Returning to Jerusalem from 22: 23-33. And, in reply to the ques-Little flags sometimes flutter and entered the Temple and began to mandment in the law?" Jesus gave teach those gathered around him the very heart of the Christian As the sun softly shines o'er the His audience was a mixed one. In it teaching: that one should love God were the Twelve, others who had with all his being and his neighbor

> the Temple and the Scribes and Contained in this lesson text is Pharisees who followed him hoping a question which comes at one time to trap him into saying something or another to every heart. "What upon which they could base charges think ye of Christ?" The answer to this question in the individual Instead of being questioned by heart will result in either the accepthem, however, Jesus turned the tance of him, or his rejection, Let's tables on them and asked them a put this question to our own heart

The supreme need of this restless, other question, "How then doth De- Christ. More than elimination of vid in the Spirit call him Lord?" disease, better government, higher and quoted them from Psalm 110, wages, more equitable distribution of wealth, more scientific knowledge better education or even world brotherhood, we need the spiritual recovery that only he can bring to Til I put thine enemies under this world. Acceptance of Christ and nculcation of his ideals and teach-Jesus then continues, "If David ing into society would bring about they then calleth him Lord, how is he his all the reformers mentioned above For forgiveness of sin, for light for Realizing that they were trapped sanity, for stability, for honesty, for themselves, these supposedly learn- a true revelation of God, we must
