NEW TENANTS WILL WORK AT NURSERY

Camp Becomes Branch of Sideling Hill Camp for "Objectors"

The Howard Side Camp, to be vacated Saturday by the CCC, is to become a camp for conscientious objectors to military service, it was announced last night by Captain L. M. Walton, who has been in charge of the CCC unit there.

The camp will be a branch of the Sideling Hill camp for conscientious objectors, the official added. The Howard Camp has facilities

for 80 men, but it is believed that only about 40 will be sent to the site this weekend, Captain Walton The conscientious objectors will

take charge of the extensive tree nursery program carried out on the No information was available last

night as to who would be in charge of the camp, nor were any other de- fonte
