Two Are Treated at Hospital Dispensary

A State College woman and a youth from Bellefonte R. D. were treated for injuries Tuesday at the dispensary of the Centre County Hospital.

Houser, of Bellefonte R. D. severed a tendon of the middle finger of his left hand and was treated at the hospital last evening. No information was available as to the cause of the mishap.

Postpone Council Session

A regular meeting of Bellefonte Borough Council scheduled for Monday night, was postponed because of the Flag Day holiday. The session will be held Monday night, June 22.

Air Raid Wardens Prepare for Blackout

Air raid wardens of sector No. 1, which includes the section west of Allegheny street, Pleasant Gap, Axemann, Bush Addition, Coleville and Pleasant View met at the Bellefonte YMCA, Friday night in preparation for the dusk-to-dawn blackout next Wednesday.

Plans for the test blackout were discussed and arrangements were made to hold other meetings before the test, June 24. Only members of the Civilian Defense Corps will be permitted to remain outdoors during the half-hour total blackout period of the dusk-to-dawn air raid practice.

Sector leaders ask residents to make an effort to get acquainted with wardens in their sector and to cooperate in making the blackout a success.

The district, in addition to including the towns mentioned, takes in the Western State Penitentiary, Whiterock Quarries, National Gypsum Co., Titan Metal Co., and the Centre County Hospital.

Wardens who attended the meeting are as follows: Gene MacGregor, Howard Casper, Willis David, Calvin Purnell, Lewis Smith, David Keller, Morton Smith, Thomas Lamb, Harry Garbrick, Bond C. White, Frank Irvin, O. F. Soltenberger, M. W. Ardary, Anthony DeLallo, H. R. Johnson, Bellefonte Defense Council Chairman Aaron Leitner; Sector Chief Samuel Poorman; 1st assistant chief, Charles Musser.

A publicity committee for Sector 1 was appointed as follows: John S. Knappik, Morton Smith and Frank Irvin.

Lawrence Chosen Party Chairman

Brockerhoff Re-elected Treasurer at Reorganization Meeting

David E. Lawrence, national committeeman who was the Democrats' State Chairman from 1934 to 1940, was chosen unanimously to again direct the party's campaign in the 1942 elections, at the State Committee's reorganization meeting held in Harrisburg, Saturday. He succeeds Meredith Meyers of Lewistown who resigned in order to devote full time to his publishing business.

Miss Marie M. Bickert, Philadelphia, was re-elected vice-chairman, and Henry Brockerhoff of Bellefonte, was returned as Treasurer. An anticipated contest over the vice-chairmanship between Miss Bickert and Mrs. Edith B. DeWitt, of Williamsport did not develop.

Described by delegate Martin E. Cusick of Sharon, as "the only man who will carry this ticket to victory in November," Lawrence immediately urged all Democrats, "regardless of past allegiance, to get behind the ticket" headed by Auditor General F. Clair Ross, for Governor.

Rosa, who was present, outlined his platform, in which he promised he would support reduction of State taxes, boost workmen's compensation payments to 1937 levels, distribute State revenues more equitably to local governments, stop stream pollution, use gasoline taxes for road maintenance, provide low-rent housing and slum clearance, and speed issuing of birth certificates.

Rationing Officials Explain Delays

F. G. Hoffer, Chairman of the Centre County Rationing Board, yesterday released the following statement:

"At a meeting of the Centre County Rationing Boards it was deemed advisable to inform the public as to the tremendous amount of work that has fallen upon the Rationing Boards in view of the fact that there are about 60,000 people to be served.

"This work has been carried on by six paid employees supplemented by the school teachers of the County and other volunteers. We are now rationing tires, tubes, automobiles, sugar, gasoline, typewriters and bicycles. In nearly all cases this rationing was begun on short notice without sufficient time for organization and for obtaining the necessary forms.

"We realize the inconvenience to the public in being unable to give them the service they might expect but we have been endeavoring to get results by working long hours.

"We appreciate the patience shown by the public on the whole but we must ask for their indulgence until more help can be made available which we have repeatedly requested and hope to have soon."

Pays \$25 Fine, \$2.50 Costs; Killed Turkey

Stewart Ellenberger, of Warriors Mark, R. D., paid a fine of \$25 and \$2.50 in costs to Game Wardens Thomas Bell of Huntingdon, and Samuel Reed of Pine Grove Mills, for killing a wild turkey out of season, it was reported yesterday.

The turkey was killed Sunday and the arrest was made the following day, officials said. In addition to paying the fine, Ellenberger lost the turkey for it was confiscated by game officials and was turned over to a Huntingdon county public institution.

Game officials have made a number of arrests in recent weeks for similar offenses in an effort to protect the wild turkey flocks in this area.

Women's Democratic Club to Meet Saturday

The regular monthly meeting of the Women's Democratic Club of Centre County, will be held on Saturday evening, June 20, at the home of Miss Maude Miller, at Pennsylvania Furnace.

Members are asked to bring a covered dish and sandwiches for luncheon, and also are asked to bring an old hat for a hat social which will be held as a feature of the entertainment program.

Persons wishing transportation, or those having cars available for the trip are asked to get in touch immediately with Mrs. Pauline Torsell, Bellefonte, dial 3178.

Legion Gives \$100 to USO; \$50 for Defense

Brooks-Doll Post American Legion, Bellefonte, voted to give \$100 to the United Service Organizations at a regular meeting held Monday night. The post also voted to give \$50 to the Civilian Defense Fund being solicited by borough council. The light and telephone for the new spotting station being erected at the Community Athletic Field will be supplied by the American Legion, and Legion members will take part in manning the station.

Equipment Needed for First Aid Station

Through the efforts of the patriotic citizens of Pleasant Gap a Civilian First Aid Station is being established at the Grange Hall in that place.

In order to equip the station as quickly and efficiently as possible the sponsors seek the following contributions: One cupboard with shelves for storing medicines; single beds or cots with mattresses; used sheets; pillow cases; blankets; towels; wash cloths; pillows; white cloths for bandages, etc. and one large dishpan.

Anyone wishing to contribute one or more of the above articles should communicate with Mrs. Edward Harris or Miss Ruth Rimmer.

O. S. Y. Defense School

Courses in tractor, truck and auto mechanics are now being offered to out of school youths at the Jodon Motor Co. garage, South Water street, Bellefonte. These courses are made possible by the Federal Government through the Pennsylvania Department of Education and the Bellefonte public schools. Their purpose is to prepare out of school youths for a possible place in the defense of our country which, since Pearl Harbor, has become the number one problem of the United States. Anyone who enrolls is doing himself and his country a worthwhile service. Classes are now being conducted for both boys and girls and there are still openings for a few more enrollments. For further information see Morris Larimer or Reeder Jodon at the Jodon Motor Co., Floyd Hill at the Bellefonte schools, or William Tucker at his office in the court house.

There are some people who like jokes, when they are on other people.

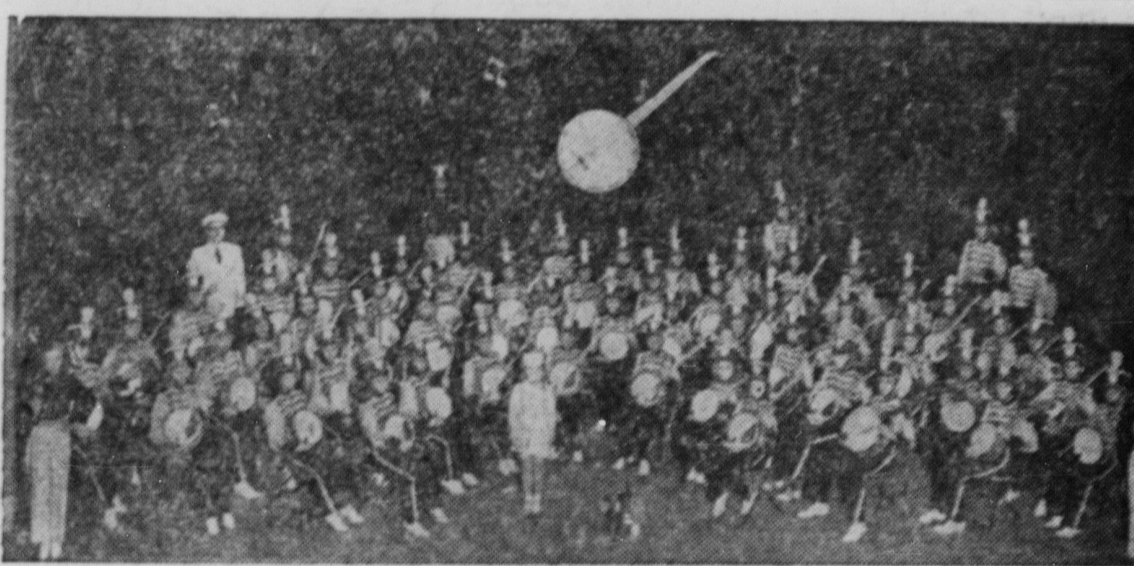

Have You BOUGHT Your Winter COAL?

Your government recommends that you stock your winter coal now, to relieve transportation facilities during the winter. We will be happy to advance you money for this purpose, as well as for any other articles you feel it necessary to buy at this time or in the near future.

Please bear in mind that there are certain federal regulations in regard to financing some household necessities. We will be glad to explain these regulations if you will call at our office. We are co-operating with the government in the sale of Defense Stamps and Bonds. We would suggest that you include in your application an extra \$18.75 for the purchase of a bond.

Loans are payable up to 12 months, the charge being very reasonable. For example, a \$100 loan is payable in 12 monthly payments of \$9.46 a month.
