More Aliens in U. S. The United States has more aliens than any other country. The world total of those living in countries other than their own is 28,900,000 or 1.6 per cent of the estimated world population. Of these, the United States has 6,300,000 or 21.8 per cent.

CALLING **ALL USERS** OF PARTY-LINE TELEPHONES!

Telephone lines are busier than everhelping to speed wartime activities. Good party-line

telephone service requires equal sharing of the line ... and the thoughtful cooperation of all users. Good neighbors are considerate of the other party. They don't monopolize the line by talking longer
