Deer Destroy Crops
Farmers at Hicks Ferry, six miles
from Berwick, are having much
trouble this year from deer ruining
their crops. One farmer who has 10,-
000 cabbage plants and 5,000 lettuce
plants has secured special permis-
sion from the State Game Warden
to kill the deer disturbing his plants.
Another farmer twice replanted two
acres of cabbage, and gave up in
disgust when he found the deer the
third time biting out the hearts of
the plants
