

# OBITUARY

**JOSEPH F. DURBIN**  
Funeral services were held Sunday morning in Altoona for Joseph F. Durbin of that city, father of Mrs. George Gross, formerly of Bellefonte but now of Lebanon, who died suddenly at his home, Thursday night, August 20, 1942. Interment took place there. The deceased, 73, was well known in Bellefonte where he visited frequently with his son-in-law and daughter, Mr. and Mrs. George Gross, when the former operated a drug store in the Mott building on South Allegheny street.

**BERNARD F. MCGOVERN**  
Bernard F. McGovern, of Mt. Carmel, died suddenly about 1 a. m. Sunday, August 23, 1942, at the home of his brother-in-law, Hugh J. Toland, of Pleasant Gap. Acute indigestion was attributed as the cause of death. He was 61. The deceased, a retired Pennsylvania Railroad engineer, had lived at the Toland home for the past seven years. He was a member of St. John's Catholic church and the Moose lodge, both of Bellefonte. The deceased was born at Mt. Carmel, a son of Patrick and Mary Barrett McGovern. His wife, the former Mary Gallagher, preceded him in death. One son, Edward McGovern of New York City, survives in addition to an only sister, Mrs. Toland, of Pleasant Gap. The

body was taken to Mt. Carmel, Sunday, for interment.

**JAMES F. GATES**  
James Franklin Gates, resident of Stormstown for over 20 years, was found dead in bed at his home on Tuesday afternoon, August 25, 1942, of apoplexy. He had been ill about three years. Mr. Gates, who was 81, was born June 27, 1861, at Rock Spring, a son of William and Catherine Mayes Gates. He was married September 14, 1881, to Lois Matilda Booth at Baileyville. Surviving children are Mrs. R. G. Bulck, of Warriors Mark R. D., and W. J. Gates, Tyrone. One sister, Mrs. M. E. Zweig of Ft. Collins, Col., four grandchildren and three great-grandchildren also survive. The deceased was a member of the Graysville Presbyterian church and a retired farmer. Funeral services were held yesterday afternoon at the Bulck home with Rev. B. F. Shue officiating. Interment took place in Gray's cemetery.

**MRS. WILLIAM HENRY HINES**  
Mrs. Nora Baird Hines, wife of William Henry Hines, of Pleasant Gap, died at the home of Roy Crader at Aaronsburg at 3 o'clock Tuesday afternoon, August 25, 1942, after an illness with a complication of diseases. She had gone to the Crader

home in the hope that a change would benefit her health. Mrs. Hines was a daughter of Harvey and Agnes Gill Baird and was born at Pleasant Gap on February 2, 1884, making her age at time of death 58 years, 6 months and 22 days. Surviving are her mother; her husband; four children, Mrs. Twila Gill, of Pleasant Gap, and Russell H. and Donald R. and Lester J., all of Niagara Falls; and these brothers and sisters: Mrs. Earl Walte, Pleasant Gap; Mrs. Blanche Baird, Perryville, R. D., and Freeman Baird, of Pleasant Gap. Funeral services will be held at 2 o'clock Friday afternoon at the home of Mrs. Earl Walte in Pleasant Gap, and interment will be made in the Pleasant Gap cemetery.

**MRS. ELIZABETH LYTLE**  
Mrs. Elizabeth Sophia Lutzer Lytle, widow of Albert Lytle, died at her home near Eagleville Station at 1:50 o'clock Tuesday morning, at the age of 67. She had been suffering from a complication of illnesses for some time. A member of the United Brethren church at Clearfield, Mrs. Lytle and her family had come from Woodland some years ago. Her husband died a year ago last April. Two daughters survive, Miss Othella Lytle, at home, and Mrs. David Cox, of Beech Creek, at whose home funeral services will be conducted Friday afternoon at 2:30 o'clock, in charge of the Rev. L. E. Adams of the Pilgrim Holiness church at Beech Creek. Burial will be made in the Christian cemetery at Blanchard. In addition to her daughters,

Mrs. Lytle leaves four grandchildren, two brothers and a sister, Wilbur Lutzer, of Nutley, N. J., and Edward Lutzer and Mrs. Blanche Keppert of Woodland.

LIGHTNING CAUSES DAMAGE IN STATE COLLEGE AREA

An electrical storm which reached its height over State College about 6 p. m. Friday, caused at least two

items of damage. A hard flash knocked about 50 bricks from a chimney on the side of a double house at Fairmount avenue and Pugh street, tenanted by Thomas Houser and knocked

down pipes of a bucket-a-day stove in the cellar. Lightning also damaged a cut-out in the West Penn Power Company's street lighting system.

Contrary to an often-expressed opinion, we believe that the people of the world are better today than ever before in the history of mankind.

That is our message to you on our First Birthday. A healthy nation is a strong nation and good food is a morale builder as well as a body builder.

We want to thank our friends and patrons for their business during the first year of our existence and pledge all our efforts towards supplying you with good, healthy foods in the years to come.

# JUNK needed for War

In the attics and cellars of homes, in garages, tool sheds, and on farms, is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.

Scrap iron and steel, for example. Old radiators, lengths of pipe, refrigerators, garbage pails, broken garden tools...

It may be rusty, old "scrap" to you, but it is actually refined steel, with most impurities removed—and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

Even in peacetime our Nation relied on scrap to provide about 50% of the raw material for steel. Now production of steel has gone up, up, UP, until today America is turning out as much steel as all the rest of the world combined.

But unless at least 6,000,000 additional tons of scrap steel is uncovered

promptly, the full rate of production cannot be attained or increased; the necessary tanks, guns, and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead, and tin.

America needs your active assistance in rounding up these materials. The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

### Will you help?

First—collect all your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

## JUNK MAKES FIGHTING WEAPONS

One old radiator will provide scrap steel needed for seventeen .30 calibre rifles.

One old lawn mower will help make six 3-inch shells.

One useless old tire will provide as much rubber as is used in 12 gas masks.

One old shovel will help make 4 hand grenades.

### MATERIALS NEEDED

Scrap iron and steel.

Other metals of all kinds.

Old rubber.

Rags, Manila rope, burlap bags.

Waste Cooking Fats—Strain into a large tin can and when you get a pound or more, sell to your meat dealer.

NEEDED ONLY IN CERTAIN LOCALITIES: Waste paper and tin cans, as announced locally.

NOT NEEDED at this time: Razor blades—glass.
