Take off fifth birthday on Sunday at his Thursday evening, Oct. 8, at the any scum that forms on the surface of the kraut, and keep the tempera ture above 50 degrees Fahrenheit

As soon as the kraut is cured, remove it to a cool place or can it. For canning, warm the kraut in its ited with Mr. and Mrs. John Furl own juice to 120 degrees Fahrenon Sunday. Mac goes to the army heit, pack it in sterilized jars, parboiling water 25 minutes. Seal the

Homemakers who want to make use the jar method. To make kraut this way, pack the shredded cabbage and from school and from neighbor the jars, but do not seal them pan which will catch the juice that bubbles out. At the end of three complete the seal. Let the kraut ripen a month or six weeks before serving it.

> Extinguish 42-Year Fire A 42-year-old blazing landmark finally has been eliminated at Carbondale in the northern section of Pennsylvania's hard coal field. The burning anthracite vein, discovered afire in 1900, has been extinguished after four years of excavation by the Simpson Coal Company.

SAVE YOUR STOVE!

Buy Defense Bonds now!

The thin, metal firebox wall in your stove will not for long withstand powerful heat. Holes appear, oven warps, enamel cracks. The demands of war make it difficult to get metal linings but a new lining of R. S. L. Stove Brick will hold all the heat and make your stove last a lifetime. Will stand 3.200 degrees F. Save \$6 to \$10 on each firebox. Easy to install. Write for full details and prices. REFRACTORY STOVE LINING CO. Philipsburg, Pa. YOU MAY NOT GET A NEW ONE

# TO SHARPEN YOUR MILITARY I.Q.

- 1. Who was the first Chief Signal Officer of the United States Army?
- 2. What do you know about this flag which preceded the use of the

Stars and Stripes?

THE SHIT

- 3. Two hundred Americans have loaned their dogs to the Army to be trained. (a) as Army sheep dogs; (b) to carry rum to wounded soldiers; (c) to be companions to generals who have no dogs: (d) to help guard Quartermaster Corps depots at night.
- 4. What brigadier general of the United States Army. a distinguished officer in Indian wars, was unable to read or write?
- 5. What weapon is known in Army slang as "the
- devil's piano?" 6. This insignia is worn by members of what branch of the service?
- 7. Who was the heroine during the War for American Independence who saved General Washington's army from a surprise attack?
- 8. A bombardier takes an oath. (a) to bomb every enemy he sees; (b) to stay sober for the duration of the war; (c) to protect the U.S. bombsight. if need be, with his life; (d) to go to bed every night
- at 10. 9. Where was this flag (with legend, in white letters on a blue field) DONTGIVE U displayed in a great American
- naval battle? 10. Define these Army abbreviations:

AA. AAG. A. F., AT.

# ANSWERS TO MILITARY !. Q.

- 1. Gen. Albert J. Myer. born in Newburgh. N. Y., entered the Army as assistant surgeon in 1854 and shortly thereafter drafted memoranda on visual signaling. In June. 1861, he organized the Signal Corps in the Union Army and on March 3, 1863, was promoted to the rank of colonel and chief signal officer. In 1870 he established the U.S. Weather Bureau and was made brigadier general
- in 1880. He died in active service in the same year 2. One of the Rattlesnake flags used by American provincial troops in the first year of the War for Independence.
- 3. Dogs are trained to guard Quartermaster Corps depots. 4. Christopher (Kit) Carson, lamous Indian fighter, although illiterate, was promoted to rank of brigadier general. Late in life he learned to sign his name.
- 8. Air Corps. 7. Lydia Darrah who warned Washington's army at White Marsh of an intended attack by Lord Howe from Philadelphia in De-
- 8. The bombardier takes an oath to protect the U.S. bombsight with his life if necessary. 9. This flag was carried by Commodore Perry at the Battle of Lake
- Erie September 10, 1813. 10. Anti-aircraft, Assistant Adjutant General audio frequencies (in Signal Corps). Antitank.

Advertising is a business adven-

Henry knows that enjoyable reading depends on good lighting-so Henry learned the rules for good lighting. One of them is to keep the bulb, shade and diffusing bowl clean.

Another rule is to be sure enough light is available; use correct size bulbs.

light falls properly. And finally-Every bare bulb should be equipped

Another is to place the lamp so the

with a shade to prevent glare. Your Light Conditioning Dealer has I.E.S. lamps in stock.
