FARMERS! You Can Still Get the Farm Equipment Necessary to Produce Your Crops

A. The new Government Rationing Order, effective September 17, 1942, is designed to guarantee an equable distribution of farm equipment. There are only a few items* sold by Sears whose purchase requires a Ration Certificate. These items are listed below.

B. All other equipment subject to Government regulations can be purchased at Sears by simply signing a Certificate to the effect that such equipment is essential for current agricultural production.

C. Repair parts and many other items may be purchased at any time as heretofore.

*Only These Items In Our Stores

Require a Ration Certificate
