Coffee Rationed November 28th

(Continued from page one)
per capita in 1941, the all-time high consumption year.
Full details of beverage rationing, including the method of distribution to hotels, restaurants and other commercial users, will be given out in the next few days OPA said.
Behind the whole problem is the shortage of shipping; there is ample coffee in Brazil, biggest U. S. source of imports, and at least normal supplies are in this country. However, even in normal times only a two or three months' supply is held in this country. Added to the shipping uncertainty is the steeply mounting military demand and bigger civilian purchasing power.

Robbed Purse of Murdered Mother

(Continued from page one)
Frederick Boone, the 19-year-old son of the family's 12 children, told Sheriff Grimm of Snyder county, that Raymond confessed to him that he stole the \$45.00. When Raymond was given to understand by authorities that the finger of guilt pointed toward him, he went to the home of Mr. and Mrs. William E. Kepner, created a scene, demolished a door and broke a window pane.
The Kepners reside just two fields distant from the shack in which the Boones and their many children lived occasionally until they removed early in the Spring to the Ben Zerby farm, a half-mile distant.
Charles C. Coleman, Snyder county institution district representative,

declared last week that he has established that at no time did the Boone family reside in Snyder county for one year without receiving relief. Mifflin county was the last bailiwick in which they lived a year without public assistance, and according to law the family is therefore the charge of Mifflin county.
Several of the young children have been taken into the keeping of kin, but court house officials believe that eventually several of them will become the wards of Mifflin county.

NITTANY LION ELEVEN INVADES WEST VIRGINIA

Penn State's football team reaches the middle of its 1942 campaign Saturday, when the Nittany Lion eleven rambles into the West Virginia hills, to battle the hot-and-cold Mountaineers of West Virginia University at Morgantown.
For the last two years, the Lions have held the upper hand on the Mountaineers, by winning out in thrilling exhibitions of football at State College.
In 1940, the State team had to come from behind to take 17-13 victory over Coach Bill Kern's mountaineers, and last year a favored Nittany eleven did well to take a 7-0 triumph over an underrated Mountaineer team.
This Saturday, West Virginia will have the advantage of its home field in meeting the Lions, who also hold an edge in an all-time series between the two rivals. The Lions have won seven of the ten games played with the Mountaineers owning two triumphs. In 1923 the game ended in a 13-13 tie.
West Virginia's two victories in the series, which began in 1904, were recorded in 1925 and 1931. State holds the two victories with a record of largest scores, a 34-0 triumph in 1904 and 40-0 walkaway in 1909.

WOMEN HELP TO PACK PENN STATE APPLES

In a patriotic effort to relieve the agricultural labor shortage caused by the war, women are replacing the men in packing the biggest crop of apples ever harvested from the Pennsylvania State College orchards.
The men are performing only the heavier tasks of unloading and dumping field crates and removing field boxes. It is expected that between 30 and 40 thousand bushels of apples will be taken from the trees this fall.
Most people are willing to speak by the book if they can write the book.

RECENT WEDDINGS

Behers—McMurtrie
Miss Pauline K. McMurtrie, daughter of Mrs. Samuel McMurtrie of Coleville, became the bride of George Frederick Behers, son of Mrs. Grace Behers of West Linn street, Bellefonte, Pa. The ceremony was performed at a ceremony performed on Thursday, September 17, 1942, in the Methodist church at Phillipsburg, by the Rev. Walter H. Williams, of Phillipsburg. Mr. and Mrs. Kenneth Bieckle, of Bellefonte, attended them. Mrs. Behers was employed at the time of her marriage at the Dutch Dairy, Bellefonte. Mr. Behers was graduated from the Bellefonte High School in the class of 1938 and was employed by the American Lime & Stone Company, until being called to the Army. He is now stationed at Ft. McClellan, Alabama.

DEALERS CAN STOCK UP SOON ON TIRES

The Office of Price Administration announced that it had made arrangements to allow all tire dealers to stock up on new tires made of reclaimed rubber, and re-capped and used tires for sale to owners of passenger cars who will become eligible for rationed tires in the near future.
Under the new mileage rationing program which will go into effect throughout the country November 22 every car, which actually needs it, will be able to get tires of one kind or another.
Each dealer's establishment will be allowed to stock up to an amount up to its 1941 sales. After the first stocking up, however, the dealer will have to turn in a ration certificate taken from his customers in order to replenish his stocks.

STATE LEGISLATORS MUST REVEAL TAXES

New ways of state revenue must be found to replace 61 per cent of the state's total taxes levied against motorists, gasoline, and motor vehicles, says Dr. Paul H. Wueller, associate professor of economics at the Pennsylvania State College.
Dr. Wueller explained that state legislators will either reduce the tax system by introducing increases in "progressive" state taxes, which include income and intangible taxes, or "regressive" taxes, which consist of retail sales taxes and real estate taxes.
Those citizens who declare they are "too busy" to take an active part in the work of their church spend much time in criticizing those who do their part.
