

# CLOSING OUT SALE

**GOING OUT OF BUSINESS FOR THE DURATION**

**All Present Stock and All Goods in Transit Must and will be SOLD AT ONCE Regardless of Cost or Loss...**

## HERE'S THE REASON I AM QUITTING THE RETAIL BUSINESS:

Better grade Men's and Boys' Wear is hard to get. The help problem and a combination of other events, over which we have no control, compels us to go out of business. Friends, I won't promise you the moon, but I will promise you the greatest, the most amazing values in years. I want you to know that no goods have been bought or brought in to make a profit on. You will be offered nothing but our regular stock. True, I bought merchandise (months ago) for our Christmas trade, which is now in transit. So cancel dates, break engagements, be first here for the first choice! To wait, to hesitate, to put off buying now, may mean a lost opportunity to save on better-grade Men's and Boys' Wear.

**Store Closed All Day Thursday**  
in order to mark down and arrange stock, so that it will be easy to see and easy to buy when the **Doors Open Friday Morning!**
