Urges Farmers Sell Soybeans
Oil from soybeans is needed in the nation's food and industrial production program, and farmers are urged to sell the beans and buy soybean meal for a high-protein feed supplement. The two processing plants in this State, one at Philadelphia and the other in Jersey Shore, are taking as large a volume of soybeans as is offered, at the government-guaranteed price of \$1.60 per bushel for the green or yellow varieties grading No. 2 or better.
