Folks, it is time again for the "March of Dimes." Let us go "all out" for this worthy cause and make true the American Good Samaritan petty prejudices about anything lay them aside and see that they 'stay put.' Remember that the little sufferers are depending on us. The money is used for equipment in hospitals which is necessary to treat the sufferers. Special kind of beds, splints and other supplies which are necessary for successful treatment are needed. Scientists are spending time and money in learning about treatment of this disease. This equipment will help them. Our counwer all questions as to the expendiin the township should fill a card or two or three. Our Sunday schools be sympathetic and unselfish.
