Logan Grange News

The members of Logan Grange enjoyed two educational feature programs at their last regular meeting.

The first of these programs was presented at the last regular meeting in January by the members of the Juvenile Grange. The Juvenile Degree was conferred on two new members, Cordelia and Margaret Hartley, also on twelve subordinate members. The degree team consisted of the following members: master, Gloria Smith; overseer, Drexel Biddle; lecturer, Faye Fetterhoff; chaplain, Joyce Livin; steward, Teddie Livin; assistant steward, Beatrice Rocky; treasurer, Bobbie Rhoades; secretary, Betty Whitmer; Ceres, Shirley Rhoades; Flora, Janet Biddle; Pomona, Peggy Smith. Geraldine Rhoades acted as matron due to the fact that the matron, Mrs. Helen Roby, was receiving the degree. The lectures were in charge of the degree Mrs. B. P. Bell and Mrs. Barr were in charge of the tableaux, and music was furnished by Philip Barr, Jr.

The degree team was given words of encouragement by State Juvenile Deputy, Mrs. L. E. Biddle; also Subordinate Master, Joseph Owens.

The second program was presented of February 5. Due to the fact that this program was usually on the subject, "Great Men," and also that it was the beginning of Boy Scout Week, the Boy Scout troop of Pleasant Gap was asked to take charge of the program. The boys, under the leadership of their Scoutmaster, James Biddle, gave several exercises which explained quite fully the activities of the Scouts. To show the appreciation of the Grange to the boys for their program, the troop was presented by the Grange lecturer with a very attractive troop sign, the Scout emblem carved from wood, and also a novelty bird house from which to take a pattern to make one like it. The sign emblem and bird house were made by Samuel Roberts, a Grange member and an old Scout.

The program was then turned over to Mr. Danberger, Scout executive of Juniata Valley district, and Mr. Disque, field executive of Juniata Valley district, who showed several motion pictures on Scout training. Others connected with Scouting who were present were Ralph Fornwalt, committeeman for the Pleasant Gap troop; also Robert Rhoades, Scoutmaster of Centre Hall troop.

The National Grange radio program will be heard over the Blue Network on Saturday, February 20 at 12:30 p. m. The speaker for this program will be the Master of the National Grange, Albert S. Gosch. The subject will be "Requisites for Food Production." This will be of interest not only to the producer but to the consumer as well.

Adopt New Plan In Salvage Drive

(Continued from page one)

meetings will be held in January and July and district meetings will be held in January, April and July. The plan received unanimous approval of county committee members at Sunday's meeting. Heretofore there was no set program and drives were being conducted throughout the county at different times, resulting in confusion. Committee members stated, the plan outlined by Mr. Henszey is designed to prevent confusion.

Actual dates for the drives and meetings will be set by Mr. Kennard and will be announced far enough in advance that sufficient publicity will make the campaigns effective. A system to present adequate reports in as brief a manner as possible is included in the plan.

Mr. Kennard appointed W. C. Springer, chairman of the Phillipsburg district, county chairman for the collection of fats. Mr. Henszey was named county chairman for the collection of nylon and silk stockings.

Announcement was made this week that Mr. Kennard was appointed tri-county chairman for the collection of industrial scrap. The appointment was made by the War Production Board and includes Centre, Clearfield and Clinton counties.

A complete schedule showing when campaigns and meetings are to be held throughout the year follows:

January: general meeting, district meetings; March, tin can salvage; April, district meetings; May, spring salvage drive; farm salvage drive; June, tin can salvage; July, general meetings, district meetings; September, tin can salvage; October, fall salvage drive; farm salvage drive; December, tin can salvage drive.

ENJOYS CENTRE DEMOCRAT

Great Lakes, Ill., Feb. 4, 1943.

Dear Sirs:

I want to tell you how much I appreciate the Democrat here at camp. It helps me spend the evenings when I don't have much to do, and at the same time I get the news from my part of the State.

Even if I am about 1,000 miles from home I know what is happening as if I were still there. I always did like the Democrat and when my father and I were working on the Southern Pacific Railroad in central California in 1940 and 41, our parents always sent us the paper and we liked it very much.

When this war is over, and I trust in God it soon will be, I hope you can put in big headlines how our boys went across and showed Germany and Japan that they could not rule the world.

Thanking you very much, I remain,

Your faithful reader,
KENNETH C. PIFER, S 2-C.

Parents of sons in service are apt to have an opinion of home-front wartime slackers, even if they do not state it publicly.
