"Christendom started in the village of Nazareth. Protestantism in the little town of Wittenburg, Methodism in the vicarage of obscure Epworth: American Methodism came to life in a country church in Marythe Hudson River," says A. J. Waltry chapel, some village church Mrs. Frank Ennist has entered neath town spire or in a city cathedral amid the thunders of world commerce? Or will God be forced to the surrendered souls who, yielding all to him, shall be come the channels through whom he may pour his power into a war-scarred world.

World War II affects the Christian church even more than did World material values," the Geneva (Switzerland) office of the World Council of Churches says in summarizing its recent study of sermons preached in European countries since the outbreak of the struggle. Three phases of preaching may be distinguished in the changing themes of sermons, the Council finds: "from the outbreak of the war to December, 1939, there is evident an effort to discuss the questions raised by the war, to prepare the congregations for the special dangers ahead of them, and to treat seriously the problems which the war raises for the church; from December, 1939, to the spring of 1940 there was less talk of the war and more 'timeless' preaching with particular reference to the power of the faith and the consolation of the gos-

Wonder Book

CACACAC

Sometimes we wonder if any other book published has so many uses as the telephone directory. We have seen the bigger ones used as door stops and as cushions to raise little Johnny a few inches higher at the table.

People sometimes use directories as hiding places for money, checks, bonds and ration books. But we don't recommend that. Many such valuable papers have been picked up in old directories and shipped away in box cars, to be lost forever.

Yes, the telephone directory is a mighty useful book, but don't forget that its real function is to supply the telephone numbers you wish to call. When in doubt about a number, please look it up. Guessing at numbers usually means a wrong number-a wasted call, a waste of time and a waste of telephone facilities urgently needed to handle the calls of war. The Bell Telephone Company of Pennsyl-
