Mulfinger and in which the Frank Ellen of Croft, Clair Leigey of Le-

milk processing plant. Excellent working conditions with one of the leading dairy plants in southern New Jersey. This is no job for a trifler, since we are interested only in someone who wants permanent work. If you are the right man your future is secured. Desirable working hours and substantial salary. We do not require any experience in dairy plant work, although it would be helpful to you. We will be glad to train the proper man for the job.

Your age is no barrier and if you are a family man, so much the better. We can obtain adequate housing facilities here at reasonable rental and can make provisions to move your family

There will be a representative of our company in Bellefonte all day Saturday March 20, and Sunday until 11 a. m.

If interested contact J. W. CRAMER at Heim's Service Station, North Water Street, Bellefonte, at the above time only.
