She had visited with relatives and friends in Centre county several times since moving to Iowa. Survivors include two sons, Harry J. Rockey, Truco, Iowa, and Kenneth F. Rockey, Peru, Iowa; and two granddaughters; also two sisters, Miss Cathryn Barclay and Mrs. Emma Piler, of Altoona. Interment took place in Truco, Iowa, Wednesday, April 14.

## MRS. CHARLES A. MORRIS.

Mrs. Alice Lyon Morris, widow of the late Charles A. Morris, formerly of Bellefonte, died Friday, April 9, 1943 at her home in Searcy, Ark. where she had lived since leaving Bellefonte about 15 years ago. Mrs. Morris, a native of Allegheny, near Pittsburgh, was in her 70's and her late husband for years was superintendent and general manager of the American Lime and Stone Company in Bellefonte. He continued in the stone business in Searcy after leaving Bellefonte. Mr. Morris, a brother of Robert Morris, Sr., of Bellefonte, died about 12 years ago. An only son, Elliott, a World War I pilot, died 21 days later. The sole survivor in the immediate family is a daughter, Elizabeth, at home. Interment was made in Searcy, Ark.

## WILLIAM WINFIELD WANCE.

William Winfield Wance died at his home in Aaronsburg at 11 o'clock Saturday morning, April 10, 1943, of complications. A son of Hugh and Ellen Wagner Wance, he was born in Liberty township, this county on November 9, 1874, making his age at time of death 68 years, 5 months and 1 day. Surviving are his wife, the former Margaret Long, with whom he was united in marriage 50 years ago; three children, Sumner H. Lawrence E. and Mrs. Estella Weaver, all of Aaronsburg, and these brothers and sisters: Mrs. Ira Shultz of Millheim, R. D.; Irvin Wance, of Rebersburg, R. D.; Israel W. Wance, of Aaronsburg, and Mrs. Abner Hill, of Austin. Funeral services were held yesterday afternoon at the Aaronsburg Lutheran church, with Rev. C. E. Freeman officiating. Interment was made in the Lutheran cemetery, Aaronsburg.

## WILLIAM WETZLER SCHENCK.

William Wetzler Schenck, former Howard councilman, carpenter, and for a number of years a Pennsylvania Railroad employe, died at his home in Howard at 9:45 o'clock Sunday morning, April 11, 1943, after an illness with a complication of diseases. He was a member of the Howard Church of Christ. Deceased, a son of Daniel and Marie Wetzler Schenck, was born in Howard township on March 8, 1868, making his age at time of death 75 years, 1 month and 3 days. Surviving are his wife, the former Mary Elizabeth Bechdel, with whom he was united in marriage 53 years ago, and a son, Samuel B. Schenck, of Greenville. Two brothers and a sister also survive, namely: Glenn S., of Bellwood; Elmer J., of Tyrone, and Mrs. Mary Gray, of St. Louis, Mo. Funeral services were held at the home Wednesday afternoon with Rev. Paul Mackey, of Howard, officiating. Interment was made in the Schenck Cemetery, Howard. From his boyhood until he was about thirty-two years of age, Mr. Schenck worked at farming and in the woods. He then worked several years at chain making in an iron mill near Howard. Following this, he learned the mattress making trade, working first at Howard and later at Williamsport.

Next he began working for the Pennsylvania Railroad first as a stone mason, then as a shop man at the Juniata shops of the railroad, and later as a carpenter at Remo, where he became one of the bridge carpenter foremen for the railroad. Leaving the railroad in 1926, he took up general carpentering at Howard and followed this trade up to the time of his last illness.

## Philipsburg Man To Head Society

(Continued from page one)  
Harold Moore, DuBois. Dr. H. D. Roberts, of Elk county, which is serviced by the organization, expressed appreciation for the treatment received by Elk county children during the past year. Giddings B. Tiffany, of Pittsburgh, a representative of the National Foundation for Infantile Paralysis, was a guest at the dinner.

A resolution was adopted to honor Harry B. Scott, Philipsburg, who was active in forming the original organization and clinic and who for many years headed the work as president of the society. Flowers were ordered sent to the former senator who has been in ill health for a number of years.

Appreciation was extended to the staff of the Philipsburg State Hospital and to Dr. Roy Simon, clinic surgeon, for work done through the society.

Several changes in the society's constitution were adopted at the business session. They provide for the annual meeting to be held the second Thursday in June and for the fiscal year to begin July 1.

The possibility was discussed of offering the society's facilities to organizations in the area who wish to sponsor the rehabilitation of cleft-palate cases. The matter is first to be taken up with the directors of the state hospital through which the clinic functions.

other fats for four hours before giving blood, or a heavy meal within two hours.

A competent physician directs the entire process. The blood is taken to the laboratory in Philadelphia for processing and within two or three weeks will be returned to the hospital in the form of plasma.

Medical men announced that blood can be given every eight weeks without harm to the donor. The blood is fully replaced in less time than eight weeks. Any healthy man or woman between the ages of 21 and 60 may give blood.

A blood bank at the hospital is a health insurance policy for every civilian resident of Centre county. Under the present system, when a blood transfusion is necessary, a donor must be secured. His blood must be tested and typed before the transfusion can be made. Commercial plasma, (costing about \$32.50 for the plasma alone) may be used.

With blood plasma on hand through the new system, a transfusion can be made in the time it takes to dissolve plasma in sterile water and inject the resulting fluid into the patient's veins—a matter of a few minutes. The cost will be about \$10 or less, because the blood from which the plasma is made is donated. The sole cost to the patient will be the processing charge and regular technicians' fees.

Below appears a coupon for the use of those who desire to give blood to the bank. Fill it out immediately and return it to the hospital so a schedule for April 28 can be completed. You will receive notice when to report April 28 to give your contribution.

The mechanics of giving blood for the blood bank are simple and painless. The donor lies down on a cot; the arm at the elbow is cleaned with iodine and alcohol, and a drop of novocaine is injected to prevent pain. The physician introduces a hollow needle into the vein and through a small tube attached the blood flows into a bottle. At the end of the donation sterile dressing is applied and the donor rests for ten minutes. One pint of blood is taken from each donor.
