Big News for Thrifty Shoppers . . .

MURPHY'S STOREWIDE EXPANSION SALE!

Begins Saturday, May 1

Several years ago, when business was on the upswing, we established in Bellefonte one of the largest and most modern 5 & 10 cent stores in Central Pennsylvania. Our faith in the people of Centre County has been fully justified . . . justified to the extent that even though war conditions have imposed many added difficulties in conducting business, we have found it necessary and advisable to add two more rooms to our already large store.

These rooms are being prepared for use in our Expansion Sale. In them you will find displayed to a much better advantage than was possible before, hundreds of necessities for the home and family. There are some added lines of merchandise which you will find of the same high quality and priced at the same rock-bottom prices on which we have built our present patronage in the Bellefonte store.

In addition, our store has undergone a complete and thorough "housecleaning." The interior has been repainted and re-decorated, and for this sale some items which heretofore have not been featured prominently are being specially displayed.

Yes . . . This is an odd time for an "Expansion Sale." Merchandise is difficult to obtain . . . and there are many restrictions on business. We're not complaining. We're all out for victory . . . and we feel that our share in winning the victory is to provide the home front with the necessities of life at lowest prices possible.

We invite all our old patrons to visit our enlarged and redecorated store during this sale, and we urge those who aren't regular patrons to visit the store and become familiar with the vast selection of household needs we have in stock. We feel sure that all of you will be pleased with our new facilities and with the additional space we have provided for the display of merchandise.

In these trying days you can save yourself many a shopping worry and many a lost step by keeping in mind "If you can get it—Murphy's have it."
