

UNIONVILLE

Methodist Church: Prayer service Thursday evening. Sunday school on Sunday morning, followed by the regular preaching service at 10:30 a. m., with sermon by the pastor, Rev. W. A. Snyder. Junior Fellowship in the afternoon at 2:30 at the home of Mrs. Harriet Askins, and Junior Youth Fellowship in the evening at 6:30.

Preaching services in the Presbyterian church Sunday evening at 7:30, with sermon by the pastor, Rev. H. E. Oakwood.

Free Methodist Church: Prayer service Friday evening in the church. Sunday school Sunday morning at 9:30, followed by class meeting and the regular preaching service in the evening at 7:30 with sermon by the pastor, Rev. H. C. Jacobs.

Mrs. Fred Curtin left for her home in Atlanta, Ga., last Thursday, after having spent the past five or six weeks here with her brother, C. K. Brugger and other relatives in and about the community, and looking after the interest of the property of the late J. E. Brugger, which is now for sale. Mrs. Curtin had received word that her husband had been injured and unable to work, which hastened her return home.

First Mate Samuel Lucas, who has been stationed at Jacksonville, Fla., for the past couple years, is spending a short vacation with his parents, Mr. and Mrs. Boyd Lucas of this place.

Serenaders were busy on Saturday evening when they tuned up and went to the home of Mr. and Mrs. Boyd Lucas and gave the usual welcome to their daughter and husband, Mr. and Mrs. Auman Smith who had arrived the day before from their home in New York State for a few days' visit to be with her brother, First Mate Samuel Lucas, while he is home on furlough. They returned to their home on Tuesday, accompanied by Mr. and Mrs. Norman Fisher and children who had spent the past week visiting here.

Cemetery News: All lot owners of the New Union, or Stover cemetery, who desire their lots cleaned prior to Memorial Day, will kindly get in touch with David Custer of Fleming, who is president of the association and who will see that the work is taken care of. Any contributions may be sent to Mr. Custer. This should be taken care of very soon.

George Moran, former resident of this community, but now of Cedar Rapids, Iowa, has received recent word that his son, George, Jr., who is a student at Princeton Theological Seminary, has been called to serve as supply for two years in the First Presbyterian church at Amwell, N. J. We are glad to hear this good news of one of our boys who has gone out from the community and made good in the world.

Memorial Day Services: Nothing definite can be given at this writing as to Memorial Day services in this vicinity, but all indications are that whatever is held will be on Sunday, May 30, and on account of shortage of gas which makes a shortage in transportation, the services will be brief. It is also hoped that the Honor Roll for the community will be ready for dedication at that time.

We expect to give full particulars in our next week's column.

Mr. and Mrs. Charles Schaeffer of Bellefonte, called on friends and relatives in the community on Sunday afternoon.

Mrs. Anna S. Elway is now able to be out and around after having been ill and confined to her home for the past several weeks.

The primary school of the borough taught by Miss Charlotte Stere, closed on Wednesday, the 19th, for another period of vacation for the pupils and teacher.

There are still some unpaid taxes in the borough and we would like to clean up all old accounts before the new duplicates come out which will be very soon. The borough council and school board are badly in need of their money, as well as the county, so we would suggest all persons who have not paid, look up your old cards and pay them off promptly. The borough, county and school board cannot be run on promises, it takes cold cash, so kindly give this serious thought.

Mrs. Sue McEwen accompanied Mr. and Mrs. H. M. Miles to Millheim on Saturday, where she spent the day with her nephew and wife, Mr. and Mrs. Howard Bricker. Mr. and Mrs. Miles were attending a meeting of the Grange.

Mr. and Mrs. H. D. Lindenmuth had sale of all their farm equipment and stock at their farm premises up Dix Run last Saturday afternoon.

They sold a large number of young chickens, five head of cattle, all young, and farm equipment of all kinds. Everything was sold in good time and the prices were very high which showed all persons interested meant business. Mr. and Mrs. Lindenmuth were very much pleased over the results of their sale, which was very well attended.

The members and friends of the Women's Bible class of the Methodist church held a covered dish luncheon in the Community House on Tuesday evening. A good number were in attendance.

Mrs. John Talhelm spent a few days this week with her aunt at Milton, Pa., who has been seriously ill for some time.

The Grammar school of the borough, taught by Mr. J. R. Reish, will close for the term next Monday, and the pupils and teacher will enjoy another season of vacation.

Mrs. Orrie Holt has as her guest this week, a niece, Mrs. John Whipple of Rochester, N. Y. She is also visiting with other relatives in the community while here.

Mr. J. C. Fox visited with his sister, Miss Mary Fox, who is a patient in the Jersey Shore Hospital, on Sunday. Her condition is much the same.

Rev. H. C. Jacobs of the Free Methodist church, has started painting the parsonage, and, with the assistance of Owen Reed Fox, expects to make their home look one hundred per cent better. A couple coats of paint can do wonders to a home.

The members of the Young Ladies' Sunday school class of the Methodist church, taught by Mr. J. H. Finch, will be entertained next Tuesday.

May 25, at the home of Mrs. D. H. Custer at 7:30 p. m. A good attendance is desired.

Donald M. McEldwin, son of Mr. and Mrs. H. E. McEldwin, recently applied for enlistment in the Army Air Corps and has been accepted. He is employed at the Glenn L. Martin Aircraft Company in Baltimore, Md., and is foreman of inspection of the electrical and detail manufacturing division. He entered the employ of the company on October 9, 1941. He will leave for the Air Corps on June 12.

Named Manager of West Penn

For the last six years, Mr. MacDonald has been connected with the overhead lines department in the company's northern division at Kittanning, being assistant division superintendent. This, with his previous experience, makes him peculiarly fitted for his enlarged duties which the district management includes. He went with the company in February 1928 and in the nine years of service prior to his Kittanning appointment, served as cadet apprentice lineman and groundman, assistant division superintendent, and assistant director of personnel in the Pittsburgh office. During these years he completed his course at the University of Pittsburgh, graduating in 1931 with the degree of electrical engineer.

Mr. Powers also announced that W. Blaine Cunningham, Jr., who has been division lines superintendent at Bellefonte, will be transferred to Kittanning and become assistant division superintendent of the northern division, succeeding Mr. MacDonald.

Rudolph G. Lindquist is to continue as assistant district manager at Bellefonte, and Francis A. Miller as local manager at State College, assuming such duties and responsibilities as may be assigned to them by district manager MacDonald.

PINE GROVE MILLS 4-H CLUB IN REGULAR MEETING

The regular meeting of the Pine Grove Mills 4-H Club Monday evening, May 10, was held in the Pine Hall Lutheran church.

The meeting was in charge of the president, Ruth Grubb. It was decided that the June meeting of the club would be omitted and the next session will be held in the Pine Hall Grange Hall, July 12.

Slides giving suggestions for raising capons were shown by E. B. Tait, assistant county agent.

Pimples Disappeared Over Night

Yes, it is true, there is a safe harmless medicated liquid called Kleener that dries up pimples over night. Many report that they had a red sore pimply face one night and surprised their friends the next day with a clear complexion. There is no risk. The first application must convince you or you get your money back. Join the happy Kleener users who are no longer embarrassed with unsightly pimples. For sale by Parish Drug Store.

Paradise Opens; Attendance High

(Continued from page one)

16-inch brown trout. It was his first trip to the Paradise.

Harris Breth, Pittsburgh sports writer who is heard every Saturday night over radio station KDKA, Pittsburgh, in a sports broadcast, told newspapermen that John A. Knight's famed Salunar Table—an hour-by-hour schedule showing when fish are most likely to bite—seemed to work out the first day at the Paradise.

Breth said he stood on the bridge opposite the Administration building from 9 a. m. to 9:25 a. m. and saw only three fish hooked. The Salunar table, Breth explained, indicated fish would not bite until 9:25 a. m. From 9:25 a. m. until 9:30 a. m. the sportswriter concluded, he saw 12 fish hooked.

The only service man in uniform seen at the Paradise in the opening day was a youthful sailor, who seemed to be more interested in the scenery than in the job of catching fish. C. Ross Buller, of Bellefonte, State Fish Culturist, said officials were pleased with the large turnout, and declared that since the stream has been heavily stocked there will be plenty of good fishing after the water clears.

Fishermen began arriving at the site shortly after midnight, Thursday, and were lined up when registration began at 6:30 a. m. By the time the gates opened at 9 a. m. all of them had been registered.

Rules at the Paradise include fishing from 9 a. m. to 9 p. m. daily except Sunday; a limit of 10 caught a day, but only two may be killed; only artificial flies with barbs removed may be used; no wading in streams; and only fish 10 inches or longer may be killed. The Paradise season will close on Saturday, July 17.

As a pre-season "opener" the Kiwanis Club and the Rotary Club of Bellefonte jointly sponsored the annual fishermen's dinner at the Penn Belle Hotel last Thursday night. E. K. Stock, Kiwanis president, gave the address of welcome and Rev. William C. Thompson was called upon for the invocation. Group singing was led by Cecil A. Walker, and the Titan Male Chorus, directed by Mrs. Lenore Morgan, was heard in a group of numbers.

Armstrong L. Francis, past president of the Kiwanis Club, serving as toastmaster, introduced a number of fish commissioners, fish and game wardens, and well known sportsmen who attended the dinner. Speakers included Mayor H. P. Harris, of Bellefonte; H. R. Stackhouse, administrative secretary of the Fish Commission; and Fish Commissioner Charles A. French.

Sheldon A. "Pete" Hoffman, of DuBois, brother of Richards H. Hoffman, formerly of Bellefonte but now with the U. S. armed forces in Tunisia, read excerpts from letters his brother sent from North Africa. The

former local physician's narrative of his life and experiences in North Africa provided interesting material for his brother's talk.

Commissioner French related briefly a few of the great obstacles the war has placed in the path of the Fish Commission's normal program, and told how substitutes for now unavailable fish foods are being developed.

"There has been no curtailment of fish production so far," Mr. French said, adding that there are about 3

million baby trout in hatcheries, and that there is on hand a large quantity of salt water fish for use in feeding.

French concluded his address with the statement that the current fishing season so far has been one of the worst in history because of rains, cold weather and high water.

Hint: If you want to see your name in print, print it yourself.
