x22 Act Quickly Against Coccidiosis

> As a First-Aid Treatment Use Dr. Salsbury's Rakos

Use this highly astringent liquid mmediately at the first indication of dreaded Coccidiosis. Watch for those tell-tale signs-droopy wings, huddling, and shivering, loss of appetite, bloody or watery droppings Neglect can be very serious-so act QUICKLY! Also use sanitation and litter spray to kill Coccidia.

FEED DR. SALSBURY'S AVI-TAB as a flock conditioner to birds hit by Coccidiosis. It's an ideal appetite stimulator.
