Illness Fatal To Dr. F. K. White

(Continued from page one)

Dr. White was one of the "foundation stones" of the Democratic party in Centre county. Through thick and thin, and regardless of external conditions, Dr. White always was solidly in back of long-established principles of the party. One close friend explained: "You always knew where Dr. White stood." However, while hewing closely to the party line, Dr. White was not intolerant or arrogant in his stand, and it was his wise counsel and solid advice which aided the party over many a rough spot in its path during the past several decades.

Dr. White was a director of The First National Bank, Phillipsburg, and the Farmers' National Bank of Bellefonte.

He did much in promoting the development of the Twigg coal mine and the White, Dugan Coal Company.

A devout churchman, Dr. White was for many years a faithful member of the vestry of St. Paul's Episcopal church of Phillipsburg.

Surviving him are his two daughters, Miss Catherine M. White and Miss Margaret J. White; also one sister, Mrs. Henry E. Gale, all of Phillipsburg.

Funeral services were held in St. Paul's Episcopal church Sunday afternoon at 3:30 o'clock, and interment was made in that city.

AWOL Gunner Is Apprehended Here

Melvin Mowery, 18, U. S. Navy gunner, 3rd class, of Kumpfont, Northumberland county, terminated a six weeks unauthorized "vacation" from duty here Saturday in jail.

The sailor, who had been in Bellefonte for a week spending money freely, was apprehended by Pvt. Victor E. Bell of the Pleasant Gap station of State Police on the charge that he stole a Buick sedan at Mt. Carmel when he began his tour six weeks ago.

He was picked up near the Bellefonte Airport. The car, a 1940 model, had been through a lot and looked it. Mowery had bought tires at junk yards to replace ones that were on the car originally. He used coupons in a ration book he found in the car's glove compartment for some of his mileage but police didn't know where he got the gasoline for the remainder of the trip.

Aside from the charge of stealing the car, there is a little matter of taking approximately \$400 in a burglary committed at Johnstown, Elk county, Sunday. Mowery confessed to Johnstown police that he stole the money. The gunner is AWOL from the Naval Air Station at Norfolk, Va., is wanted in Elk county on the burglary charge, and is now being held at Shamokin for stealing the car, police said.

He had \$2 left when he was apprehended Saturday.

J. R. "ROLLIE" WILLIAMS

OF UNIONVILLE BOROUGH FOR

County Treasurer

I have always been a Republican.

I have never been elected to any County office.

I have served my party in many executive capacities. I have been Chairman of my party in my Borough for 8 years. I was a member of the Executive Committee of the County Chairman for 6 years. I am now serving my second term of Justice of the Peace.

If nominated and elected, I pledge that the office of County Treasurer will be conducted in a manner that will be a credit to myself and the party I represent.

THIS COMMUNITY HAS A SPECIAL WAR JOB

THIS COMMUNITY is on the spot! We are in a pulpwood growing section and there is now a pulpwood shortage. The country needs vast quantities of pulpwood for explosives, rayon parachutes, gas mask filters, shipping containers and a thousand other uses — yet some of the mills that make these things are actually shutting down for lack of wood.

This is a desperate situation—a war emergency. Something must be done QUICKLY!

And only we who live in the pulpwood cutting areas can do anything about it.

This is OUR responsibility.

How the problem can be solved

Mr. Donald M. Nelson, Chairman of the War Production Board, gave the key to the solution in the following statement:

"If every one of the more than 3,800,000 farmers in the 27 pulpwood producing states were to devote 3 EXTRA days in 1943 to cutting pulpwood, we could overcome the threatened 2,500,000 cord shortage with wood to spare."

Will you enlist for 3 EXTRA days?

If you are now cutting pulpwood part time; if you have cut it in the past; or if you have never cut it but know how to use an axe and saw, will you pledge 3 EXTRA days (at regular pay) to meet Mr. Nelson's challenge?

Fill in the coupon. Mail it to this newspaper and you will receive the pledge badge which identifies you as a Victory Pulpwood Cutter.

This is a war emergency.

CHAIRMAN, NEWSPAPER PULPWOOD CAMPAIGN (NAME OF PAPER)

I pledge myself to work at least 3 EXTRA days during the balance of 1943 cutting pulpwood. Please send me the campaign badge which this pledge entitles me to wear.
