JOSEPH E. DAVIES

WALTER HUSTON · ANN HARDING PLUS A CAST OF THOUSANDS:

This is the story that started the talk about the most talkedabout picture of our time. Many statements pro and con have been made about the show Frankly, we don't know for certain whether the picture is or isn't propaganda or if it's all true or all fiction—but of this much we are sure: MISSION TO MOS-COW is grand entertainment produced on a lavish scale, the story is loaded with action, intrigue, and excitement, superbly acted by a hand-picked cast in character of many world famous figures of today. Come and see for yourself and if nothing else you'll be able to argue with your best friends and arrive at your own personal decision!
