Pass Resolution In Death of Heineman

The following resolution on the recent death of L. C. Heineman, secretary of the Bellefonte YMCA, was adopted by the YMCA board at a meeting this week: Be It Resolved that by the Divine intervention, which man is unable to understand, we have sustained a great loss owing to the untimely death of our Secretary, Lewis C. Heineman, who has so ably conducted the activities of the Bellefonte YMCA for the last seventeen years. Be It further Resolved that the departure of our Secretary to the hereafter at large and the young people in particular have lost an upright, conscientious, and christian gentleman, a man who unflinchingly stood for the right things of life, a man who sincerely believed and taught that the highest and best in life well as the only enduring attributes of man is the elevation, cultivation and expansion of the spiritual, intellectual, and physical qualities which when all is said and done represent the true individual; and for these purposes and objects our friend and co-worker gave his entire ability and life to accomplish. What higher motives are there, that man can devote his energies to accomplish? Be It further Resolved that the foregoing resolution be placed on the minutes of our YMCA, a copy thereof be mailed to each member of the deceased's family; and a copy to our local newspapers.

J. KENNEDY JOHNSTON, President. JAMES R. HUGHES, Secretary. Dated Bellefonte, Pa. September 7, 1943.
