Free Methodist Church: Prayer service Friday evening. Sunday school Sunday morning at 9:30, fol-lowed by the regular preaching ser-vice with sermon by the pastor, Rev. Joseph.

Mrs. P. I. Holt of Milesburg, spent last Wednesday with Mrs. B. E. Holt of this place.

Mr. and Mrs. Forrest M. Lucas and family of Tyrone, visited Satur-day evening with relatives and friends here. Their son, Pvt. Forrest M. Lucas, Jr., who is stationed at Camp Shelby, Miss., is enjoying a ten-day furlough with his parents.

Pvt. Russell Holt, who has been at Camp Edwards, Mass. since en-tering the army last January, ar-rived home Sunday for an indefinite stay with his mother, Mrs. Orrie M. Holt and other friends and rela-tives in the community.

Congratulations to Sgt. Walter E. Lucas, son of Mr. and Mrs. Ruel Lu-cas, who about three weeks ago he was promoted to the rank of corporal, and in a letter to his parents, last week he stated he had just received the promotion to sergeant. He is stationed at Florence, S. C.

Friday evening, October 23, a meeting of unusual interest and im-portance will be held in the Pres-byterian church here. A special pro-gram will recognize the Westminster Confession of Faith and the heroic part it has played in the life of the world and in particular, in early Americanism. Accomplishments of recent improvements will also be recognized, which include the paint-ing of the church and incidental re-pairs. On this occasion a voluntary offering will be received to complete the cost of all work done. Rev. Ralph W. Hingworth will deliver an ad-dress, aside from other features. The public is invited.

Mrs. Paul Immel and little daugh-ter of Washington, D. C., are visit-ing with her mother, Mrs. Mollie Holt, and greeting old time friends and neighbors in the community.

Mr. and Mrs. J. C. Leitzell, Mrs. John King and Paul Jones, all of Tyrone, were Saturday visitors at the home of Mr. and Mrs. Harry Jones.

Just a word to window and car scrapers. This is endangering lives of passengers in more than one car. Would you want it to be one of your family, perhaps your dad? It may so happen to be if this act does not cease. Safety first and safe for de-fense should be our motto.

We just wish to present this word of warning to the young folks of the community who have been prac-ticing their Halloween pranks each night; even Sunday night they were out soaping windows and other things not in keeping with a good citizen. If the parents of children in the community do not have any control over their children, the citi-zens will most likely take things into their hands, and there are county officers who take care of such delinquent children. It is an-noying enough to put up with such destruction of property and pranks over the Halloween period let alone having to endure it for three or four weeks prior to the time. These per-sons have been seen and if much more of it continues and the bor-ough officials do not take some ac-tion, some one else will, so a word to the wise is sufficient.

The missionary tea at the home of Mrs. G. W. Bullock last Saturday afternoon was very well attended

SCOTIA

Mr. and Mrs. Alda Stuart of Al-toona, spent the greater part of the week with Mrs. Stuart's brother and sister-in-law, Mr. and Mrs. Adolph Reed, and on Friday evening they went to State College to spend un-till Sunday with Mrs. Stuart's sister and brother-in-law, Mr. and Mrs. Harry Markle. Mr. Stuart will be re-membered as one of the clerks at the Scotia store before going to Altoona, quite a number of years ago to work for the Pennsylvania Railroad com-pany.

Visitors at our home on Sunday afternoon were Mr. and Mrs. Chas. Kooker and two children of Tyrone, Mr. and Mrs. Forest Jonsson and two sons of Pleasant Gap, and our daughter, Mrs. Raymond Young of Coleville.

We have noticed that some of the well drilled have left the Bureau section and have their drilling equipment parked near Reeds ser-vice station and are waiting orders to move somewhere else.

Harvest Home services were held at Grays church on Sunday eve-ning with a very nice attendance.

We promised that we would let you in on something this week but to date we will have to back down, for our runner that we heard hasn't developed yet and we guess we will have to put it off until some other time. But just the same, when it does happen we will let you in on it.

Mrs. Nellie Behrer spent all of last week visiting with her two daughters, Mrs. Gregg McGinley of Bellefonte, and Mrs. Glenn John-sonbaugh of Pottersburg.

Mrs. Charles Reawick spent last Wednesday with Mrs. Lee Dorman at Paradise.

IMPORTANT ANNOUNCEMENT

To All Users of

Automotive Equipment

The Keystone Tire Service Has Been Appointed Distributor for Centre County for Wide-Base Rims and Wheels!

It's Time to Declare War on Tire Waste

America is making forward strides in its synthetic rubber program. But authorities warn that practically all of the 1943 and 1944 synthetic production, as well as the majority of crude rubber in our present stockpile, must go to the armed forces and for lend-lease.

That means we still must guard the tires now on our vehicles, make them give every possible mile.

Forced to get the most out of every bit of rubber avail-able for tires, engineers made an extensive search for the secret of increasing the life of both passenger and truck tires. The Wide-Base Rim and Wheel is the result.

For instance, a 9.00 tire doesn't belong on a 7" rim, or even on the 8" rim which was considered suitable up until

recently. For best results, that 9.00 tire belongs on a 9-10" rim.

Remember that wide-base rims and wheels have been proved in all kinds of service. Even on Uncle Sam's combat equipment—his jeeps, caissons, scout cars, half-tracs and tank destroyers—all of which have rims or wheels wider than formerly recognized as standard. Remember, too, that wide-base rims and wheels are not simply a stop-gap for the duration, but will keep on winning extra tire mileage for you years to come.

Check your rim and tire equipment with the chart below. Make certain that you, too, are fighting the war against tire waste!

National Wheel and Rim Association Correct Tire and Rim Combinations Chart

Rims in Column 1 are present original equipment standards—no rims narrower than these can safely be used for the tires shown. Wide-Base rims in Column 2 will definitely increase tire mileage—no increase in inflation or rated carrying capacity.

Table with 5 columns: Tire Size, Plys, Infl'n, Nominal Rim Size Minimum Standard, Wide Base Rim For Max. Mileage, Flaps Required. Rows include tire sizes from 6.00 to 10.00-9".

(* Most tires in this size are mounted on 6.00 T (8") rims which is permissible but the 9-10" rim is preferable.
