# J. H. WALLIN

Candidate for Member in the

# **GENERAL ASSEMBLY**

from Centre County at the Primaries on April 25th, asks the support of Republican Voters.

His past record as a member during the Session of 1943-44 is one of conscientious application to duties involved, always endeavoring to be fair to all groups and having an intelligent understanding of the problems of labor, business and farmer, having had experience in each.

He was always zealous in performing his sworn duty and was present at all sessions, voting on all bills, motions and resolu-

It has been customary to return Representatives for a second term as it is realized that the first term's experience will assist them materially to better represent their constituents.

Centre County deserves experienced representation during the next regular session, which may be confronted with many problems of importance to all citizens of Centre County during the present emergency and the post war era, which will follow.
