Louisa's Letter

Dear Louisa:

Dear Louisa

I am a girl 15 years old and I have a matter of course, where you are, been going with a boy 17 years old. which would cost money in town. He is a nice boy and his people are Just as some city folks have to be nice but my parents don't care for with the crowd to be happy, so people me to go with him. One night I who enjoy solitude and quiet in the went out with a boy 20 years old and country are miserable if they have to it made this boy mad. He acted spend their lives in the midst of friendly but never asks for a date. bustle and noise. How can I win him back? T. M. C .-- Fries, Va.

ANSWER

I do not see why the boy should I am a girl of twenty-five and have been angry unless the other boy have been engaged for almost two was a bad character or unless you years to a boy who is 21. He appearhad promised not to go with him. ed jealous when I first met him but You are really too young to go with I didn't pay much attention to it. men of twenty. Go with boys of He has been in the Navy not quite your own age. I can't tell you how a year. We have written faithfully. to get him back because I don't He suggested that we get married know why he stopped. LOUISA.

Dear Louisa: like they were babies

Now my brothers have sold every- Now that he has gone across and thing and not even left me anything my letters don't reach him as often to eat. They would never even stay as he thinks they should, he writes with the old people if I had to go sarcastic letters, insinuating that I anywhere They left me one bushel am going too much to write to him. of corn.

What must I do? MRS. M. E.-N. C. ANSWER

Of course you should have been happiness in the future. provided for if you spent your life nursing the old people. Your father often said that he had rather have should have made a will taking care of this but parents rarely realize how selfish some children can be, and Do you think the difference in our parents are the ones who grab the has towards me?

little bit more cash. We are unde- his present attitude to one more Centre Hall. trusting and sensible. cided whether to take it or not. J. B. C.,-Fla.

ANSWER

If you are satisfied and comfortable where you are, my advice is to stay where you are. You will find | Inflation is the greatest internal that a great deal more cash in town threat to the welfare of the nawill be needed to keep up the same standard of living you are now en- tion; ' it will come only if selfish joying in the country. ESSENTIAL WAR WORK WITH A FUTURE

Skilled Mechanics . . . Apprentice Mechanics

If you are looking for essential war work with a future-a job that won't end with the war-here's an opportunity you should investigate

GOOD PAY-the highest prevailing rates in town for your type of work.

GOOD WORKING CONDITIONS-We treat our employes right; give them every opportunity to become more valuable and to advance with us. We're very busy, but congenial. You'll like working here.

We need both experienced, trained automotive mechanics as well as apprentice help who like automotive work and want to learn. Apply in person.

See Dan Grove between 8:30 a. m. and 6 p. m., or phone Bellefonte 2719 for an evening appointment.

country and both of us like this kind his jealousy and I am sure that of life very much. He makes a com- when he comes home and finds out He is married to the former Miss part in the battles of North Africa Company. Radio Operator

Service in Harrisburg, to induct one of our employes, we will be forced to curtail our feed grinding service. We will be able to operate only one mill after June or July, depending on whether or not we can get an able-bodied employee who is not subject to the draft.

We will only be able to serve 150 to 200 farms instead of the present number.

This notice is to enable you to make your plans accordingly.
