Shope, of South Thomas street.

Because every week we receive requests from persons who want to buy this or that item, we suggest that you inspect your storage spaces and list the articles for which you no longer have any use and which are gathering dust. There is a demand for nearly all kinds of household goods, prices are higher than they've been for many years, and you'll be restoring to use articles which are badly needed by someone. The Centre Democrat classified advertising department is an ideal way to let others know what you have for sale.

Friday afternoon's rain and wind storm seemed to have directed its fury at East Lamb street where several properties narrowly escaped serious damage by limbs hurled from trees. Probably the most effective work of the storm occurred at the residence of George Ingram where a 30-foot limb from a large tree in front of the house was snapped off and carried to the roof. Aside from damaging the roof it required the efforts of four men to remove it. Another huge limb, 18 inches in diameter, was snapped off and narrowly escaping striking the front porch. Up the street a few doors, several limbs were hurled against the A. M. E. church parsonage, tenanted by Rev. Mr. Lober and family, inflicting damage to various parts of the house.

Probably the most effective work of the storm occurred at the residence of George Ingram where a 30-foot limb from a large tree in front of the house was snapped off and carried to the roof. Aside from damaging the roof it required the efforts of four men to remove it. Another huge limb, 18 inches in diameter, was snapped off and narrowly escaping striking the front porch. Up the street a few doors, several limbs were hurled against the A. M. E. church parsonage, tenanted by Rev. Mr. Lober and family, inflicting damage to various parts of the house.

Friday afternoon's rain and wind storm seemed to have directed its fury at East Lamb street where several properties narrowly escaped serious damage by limbs hurled from trees. Probably the most effective work of the storm occurred at the residence of George Ingram where a 30-foot limb from a large tree in front of the house was snapped off and carried to the roof. Aside from damaging the roof it required the efforts of four men to remove it. Another huge limb, 18 inches in diameter, was snapped off and narrowly escaping striking the front porch. Up the street a few doors, several limbs were hurled against
