Tax News: Now is a good time to start paying on your 1944 taxes, as tne regular 5 per cent penalty will be added to all school tax after October 1st. According to a recently enacted law, an additional penalty of 1/2 per cent per month will be added to all school tax after January 1st. Don't let your taxes slip by and have to pay this additional penalty. Borough and school are in need of funds, so let's get it paid. There is still some 1942 and 1943 taxes outstanding which should be cleaned up as another year will be rolling around before we know it.
