

County Man Dies; Three Wounded In War Areas

(Continued from page one)

Niagara Falls, N. Y., at the time of his induction into the service. In addition to his wife and father he is survived by one sister, Lila Stoner White of Harrisburg.

Memorial services for Pvt. Stoner will be held at 2:30 o'clock Sunday afternoon, October 22, in the Boalsburg Lutheran church, with Rev. Mr. Robb, pastor of the church, and the Rev. Mr. Jones, pastor of the Boalsburg Reformed church, officiating.

Pvt. Tripp Wounded

Pvt. Francis A. Tripp, 24, of Bellefonte, was slightly wounded in action in France on September 12, it was revealed in a recent War Department telegram received by his grandmother, Mrs. Effie Heaton, formerly of Millsburg, now residing at Renovo. The wounded man is a son of Mrs. Wilbur F. Spicer, of North Penn street, Bellefonte.

In a letter written to his mother, September 25, and received October 3, he stated that he was getting along fine but made no mention as to the nature of his wounds. He indicated that he was in a hospital but did not mention its location.

Pvt. Tripp, who made his home with his grandparents, the late Enoch Heaton of Millsburg and Mrs. Heaton, now of Renovo, was employed in Battle Creek, Mich., for about two years until enlisting in the Army there in December, 1940. He was assigned to the infantry and trained at Ft. Custer, Mich., until being sent overseas in March, 1942, landing in Ireland. He is believed to have entered France during the early stages of the invasion.

He attended Millsburg schools and until going to Battle Creek was employed on the Ruddy Westcott farm near Unionville.

Pfc. Baney Wounded

Pfc. Kenneth Baney, 22, son of Mr. and Mrs. Joseph Baney, of West Logan street, Bellefonte, was wounded in battle in Italy. His parents learned in a letter from him received last week, the first in more than nine months.

The letter in part read: "The Jerries gave me everything they had and I am carrying the scars on my legs, and they tell me I'll never go into battle again. I spent several weeks in a hospital in Italy and according to reports I expect to be sent home soon."

The Bellefonte soldier, a former member of Battery B of Bellefonte, left with the guardsmen in February, 1940, and after training at Camp Shelby, Miss., and Camp Sittler, N. C., went overseas with the contingent the following year. After two weeks' stay in Ireland, Kenneth and his brother, Pfc. Vincent Baney, also a member of Battery B, volunteered for immediate combat duty and were sent to North Africa, later into Sicily and then into Italy, where the brothers became separated. Vincent is now in Belgium.

Two other sons of Mr. and Mrs.

Baney are also in service. They are Staff Sgt. William, stationed at Fort Jackson, S. C., and 2/c Joseph "Jimmy" Baney, who took part in D-Day invasion of France and returned to the United States recently.

Pfc. John W. Condo Wounded

Pfc. John Condo, 31, son of Mr. and Mrs. J. F. Condo of Howard, was wounded in action in Holland, September 13, according to a War Department message recently received by his wife, the former Hester Shimmel of West Decatur.

In a recent letter to his wife and parents he said, "I am feeling fine and although I am bedfast I am getting along fine." In the same letter he stated that he expected to be sent home soon.

The Howard soldier was called for service August 12, 1942, and was assigned to the 108th Infantry. After several months' training at Camp Gruver, Okla., he was sent to Ft. Dix, N. J., where he remained until being sent overseas last June.

Pfc. Condo is a graduate of the Howard High School, where he was a member of the school football team. At the time of being called for duty he was employed as a salesman by a bakery company in Wilmington, Del. He has a brother, Cpl. Walter J. Condo, 33, also in the infantry. In August of this year both men were placed in the 30th division of the First Army, but never met. In addition to his wife, Pfc. Condo has a 2-year-old daughter.

County Institute Held In Bellefonte

Ralph Dale of Bellefonte, and Jacob Wetzel of Centre Hall, were elected members of the auditing committee to approve the books of the Institute for the current session, and Walter Passmore of State College, C. M. Wilson of Spring Mills, and Russell Ekin of Centre Hall, were appointed as members of the legislative committee in the business session which brought to a close the Centre County Teachers' Institute in Bellefonte, Friday afternoon.

Donald V. Hoek, attorney from Altoona, in his address, "The Teacher of Tomorrow," made a plea for more efficient education for peace and definite education in tolerance. He predicted that after the war all schools will have available a corps of experts to determine the inherent capabilities of the child so that the school can direct him into the right curriculum and the teacher help to orient him along the lines for which he is best adapted.

In the presence of Dr. Francis B. Haas, superintendent of public instruction, Dr. Paul E. Witmeyer, deputy superintendent, addressed the group and presented some practical suggestions for the improvement of the schools and of teaching not only in the future but for the present as well.

SCOUTS GUESTS OF LOCAL CLUB

Kivansians Hear Talks on Aims and Benefits of Scouting

Four Muncy District Boy Scouts who have attained unusual achievement in Scouting, and one of their leaders, were entertained by the Bellefonte Kivansians Club at the organization's regular weekly meeting at the Penn Belle Hotel, Tuesday noon.

The four Scouts were: Henry Quigley, Troop 35, Bellefonte; Buddy Noll, Troop 66, Pleasant Gap; Harry McMullen, Troop 59, Millsburg; and Taylor Potter, Troop 20, Centre Hall. The Scout leader was Bob Smith of Lewistown. All spoke briefly about the aims and benefits of Scouting.

M. E. Rumberger, vice president of the club, presided at the meeting in the absence of Bond C. White, president, who is ill at his home in Pleasant Gap. William J. Tucker, of Pleasant Gap, Muncy district director, introduced the Scout guests, and O. F. Sollenberger, principal of the Bellefonte High School, who is active in district scout work, spoke briefly.

The guest scouts have attained the highest ratings in scout work through successfully completing various courses of merit work. Scout McMullen told Kivansians of his experiences at the Scout Camp in the Seven Mountains during the past summer. Eagle Scout Noll told of the organization of the Pleasant Gap troop and spoke of his work as a member of the staff at the Seven Mountains camp during the summer months.

Eagle Scout Quigley explained that Scouting was the best possible way for boys to spend their leisure time, adding that they receive valuable training in various crafts, in sports, vocational guidance, and, particularly important to former Scouts now serving in the armed forces, they learn how to take care of themselves under all conditions and in all emergencies. He said that if the objectives of scouting were realized there would be no wars, no strikes, and no crime. Scouting, the speaker added, is virtually worldwide. The youth of 73 countries, representing 90 per cent of the earth's population, now have the opportunity to become members of the Boy Scouts.

Scout Potter of Centre Hall, explained the significance of the various types of scouts, and badges worn by the scouts, while Scout leader Smith of Lewistown, pointed out that while the group of scouts have reached the top rung in the ladder of scouting, their period of service is now beginning for it will be their duty to aid in instructing younger boys and in promoting the growth of the movement.

The Boy Scout organization is 35 years old, he said, and last year its growth was larger than in any other year. By the end of next year, he predicted, there will be more than two million active Boy Scouts in the United States.

Mr. Sollenberger declared that it is planned to organize two additional troops in Bellefonte, and that adults are needed to serve as instructors. He asked club members to lend their aid in securing the necessary leaders.

Music during the meeting was provided by Mrs. Earl K. Stock, pianist, and Cecil A. Walker led in group singing.

SCHENCKVILLE

Mr. and Mrs. Melvin Schenck of Clearfield, spent Oct. 8th at the home of Mrs. Schenck's sister, Mrs. Earl Confer, Mrs. Harry Confer and Mrs. Ruth Kline.

Mr. and Mrs. Merrill Herr spent Sunday at the home of the latter's parents, Mr. and Mrs. Ernest Torsell at Pleasant Gap.

Miss Myra Boone of Beech Creek, visited several days at the home of Mrs. Ruth Kline and daughter Sarah.

Cpl. and Mrs. Paul B. Masden and daughter of Waycross, Ga., returned to their home on Wednesday after spending two weeks with his parents, Mr. and Mrs. Harry Masden.

On Tuesday evening the members of the Hunter's Run church had a surprise farewell party for their neighbors, Mr. and Mrs. Charlie Mayes, who are moving to Beech Creek in the near future. They will be greatly missed as they have assisted them in many ways with the church, to which was greatly appreciated. Those present were: Mrs. Roy Goss, Mrs. Rose Schenck and Mrs. Ellis Fletcher of Howard, Mr. and Mrs. Earl Confer, Mr. and Mrs. Harry Confer, Mr. and Mrs. Herbert Schenck, Mrs. Ruth Kline, Mr. and Mrs. George Grove and daughter, Mrs. Christ Heaton, Mr. and Mrs. Laird Schenck, Mrs. Ellen Berkebile, Mrs. Virginia Fickett, Mr. and Mrs. Fred Bechtel, Miss Nellie Confer, Mrs. Annie Smith, Mr. and Mrs. Lloyd Smith and children, Louella, Eugene and Jimmie. Refreshments were served at a late hour.

Mrs. Clara Fletcher and Mrs. Lulu Casselberry of Williamsport, are visiting for a few days at the home of their brother and wife, Mr. and Mrs. Herbert Schenck.

Those who called on Saturday at the home of Mr. and Mrs. E. E. Chapman were Mrs. H. I. Yearick of Lock Haven, Mrs. Elizabeth Knarr of Clintondale, Mrs. Forrest DeHaas and son Joe, of Beech Creek.

Don't Neglect Shipping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. PASTETH, an alkaline (non-acid) powder, to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, goopy, pasty taste or feeling. Get PASTETH today at any drug store.

Parents, Teachers to Meet October 24

The regular monthly meeting of the Bellefonte Parent-Teachers Association will be held Tuesday evening, October 24, at 7:30, in the high school cafeteria. The topic for discussion will be "Is Home Work Necessary?" and the discussion will be given by Miss Betty Lockington and Mrs. Charles Garbick. The proceedings will be in the nature of a panel discussion and entirely informal. Both parents and teachers are asked to give their own opinions with respect to this question and will have an opportunity to air their views, if they so desire.

After the business meeting, a reception will be held for the teachers and refreshments will be served. These meetings are both stimulating and enjoyable and afford an opportunity for the parents to meet and discuss their own children's problems with their respective teachers. All parents and teachers are asked to take advantage of this opportunity and attend the meeting.

Local Dairy Offers Homogenized Milk

Bellefonte Milk Products, local dairy owned by Paul Walizer, of North Thomas street, on Monday morning will begin regular deliveries to all customers of homogenized milk, it was announced yesterday. The Walizer dairy is the first in Bellefonte to convert to milk produced by that process.

Homogenization breaks up the solids in milk, making it particularly suitable for children and older persons, since it is easier to digest than ordinary milk. Homogenized milk is first pasteurized before being put through the extra process. The milk is to be delivered at no increase in price, Mr. Walizer said.

One characteristic of homogenized milk is that the milk and cream remain together and there is no separation as in ordinary milk.

Mr. Walizer has been in the dairy business in Bellefonte for six years, coming here with 12 years' experience.

Two Minor Accidents Investigated Here

Bellefonte police on Saturday investigated two minor automobile accidents in which no one was injured and in which total damage was estimated at about \$100.

A truck owned by the Allegheny street Shaffer store, Bellefonte, and operated by Robert Keitz, and a machine operated by Jane Keller, of East Curtin street, Bellefonte, collided on East Curtin street about 11:45 a. m. while the truck was pulling away from a parking space, Chief of Police Harry Dukeman reported.

One fender of the Keller car was damaged and the side was slightly damaged.

About 1:45 p. m. the same day Joseph Barzyak of Mohanston, backed a truck from a parking space in front of the Eiks Home, West High street, striking a car operated by Richard Johnson, of Pine Grove Mills. Damage to the car was placed at about \$75, Chief Dukeman said.

Methodists to Meet At Clearfield Church

A joint meeting of the Williamsport District Missionary Institute and the Woman's Society of Christian Service will be held Thursday, October 26, in the West Side Methodist church at Clearfield, with Rev. Leonard L. Owens as toast pastor. The program calls for morning, afternoon, and evening sessions and offerings will be received to defray the expenses of the convention. Meals will be served by the ladies of the host church. The Bellefonte Methodist church plans to send delegates to the convention, according to Rev. Harry C. Stenger, Jr., pastor of the church.

Sieg Re-Elected Club President

William W. Sieg was re-elected president of the Nittany Country Club at the annual organization meeting held at the club at Hecla last Thursday night.

Robert Morris, Jr., was chosen as vice president and Lewis Orvis Harvey was re-elected secretary-treasurer.

John Love, Russell P. Beezer and John Curtin, Sr., were re-elected as members of the board, and Dr. Joseph A. Parrish was elected as a new member of the board.

VFW Auxiliary Plans Benefit Card Party

A benefit card party will be held by the Veterans of Foreign Wars Auxiliary at 8:15 p. m. Thursday, October 26, in the post home on South Spring street. Bridge and five hundred will be in play, and the public is invited.

Proceeds of the party will be used to purchase Christmas gifts for men in service as well as for some local charitable purposes.

Commissioners Name Township Assessors

The Centre County Commissioners yesterday announced the appointment of Walter Armstrong, of East Bishop street, Bellefonte, as assessor of Spring township to fill out the unexpired term of Mrs. Joseph Johnson, who has resigned from the position.

Announcement also was made of the appointment of John Fortney, of Potter street, as assessor of that township to succeed George Crawford, resigned.

Vars Resigns Post At Titan Metal

Ethan W. Vars, of East Bishop street, Bellefonte, for nearly ten years an engineer for the Titan Metal Company here, recently resigned that position and yesterday departed for Duncanville.

Mr. Vars will be associated with Alvin Bixler, president and owner of the Alton Products Company of Duncanville, and he and Mrs. Vars will move to that community as soon as suitable living quarters are found. An only son is in the armed forces.

Mr. Vars came to Bellefonte from Erie.

225-HOUR TYPING JOB UNDER WAY

Recorder's Office Working on 111,000-Word Warner Company Papers

What is believed to be one of the most voluminous real estate transactions ever to be recorded in Centre county is now being typed into the records at the office of Recorder Leonard R. Woodring.

The transaction includes a mortgage and deed of trust from the Warner Company to the Trustee's National Bank and Trust Company, trustee, to secure an issue of \$4,000,000 first mortgage 4 per cent sinking fund bonds. In addition there is a supplementary mortgage, and a deed for the conveyance of property of the American Lumber and Stone Company to the Warner Company.

The mortgage and deed of trust consists of a printed book of 170 pages, estimated to consist of about 61,000 words. The supplementary instrument also is printed in booklet form and consists of 66 pages. It is believed to contain about 24,000 words in that book. The deed consists of 37 closely typed pages, or about 26,000 words. In the three documents there are approximately 111,000 words.

It is estimated roughly that it will require approximately 225 hours' typing to complete the work. The material in what is known as "difficult" work, including lengthy descriptions of land, in which there are many figures. The finished work then must be compared with the original so that no mistakes appear in the recorded version.

The work is being done by Recorder Woodring, and his deputies, Mrs. Marie Lucas and Miss Helen Weaver.

Army Helicopters Land At Airport

(Continued from page one)

wing planes in straight flight virtually fly themselves.

All motion, vertical and horizontal, is controlled by a large three-bladed propeller driven by a motor just in the rear of the two seats in the operating compartment. The "rudder" which controls direction, consists of a small three-bladed propeller on the tail. Both propellers operate constantly when the craft is in flight, and various maneuvers are controlled through changing the pitch of the propellers.

Helicopters, the men in charge of the three planes here yesterday said, are not designed for long flights or for speed. Their normal cruising speed is about 60 miles an hour and it was estimated that they get around three miles to a gallon of gasoline. They are not capable of attaining great height, but their maneuverability is almost unlimited.

The pilot and passenger or co-pilot ride in a compartment in front of the body, with almost perfect visibility in all directions through a plastic nose which begins under the riders' feet on the floor and curves upward to end overhead.

The cockpit is jammed full of instruments, levers, foot pedals, dials and gauges. Each rider is furnished with a parachute.

The power plant consists of a radial airplane engine in the fuselage behind the seats, and it is connected through a clutch to the two propellers.

A few Bellefonte residents who learned of the arrival of the helicopters at the airport were on hand yesterday morning to witness the pre-flight tests and the take-off.

The planes flew here Tuesday afternoon from Sunbury, and they were scheduled to land at a field in the western part of the state yesterday afternoon. During their stay in Bellefonte the four officers were guests at the Penn Belle Hotel.

Woman's Club to Meet

Dr. Edward G. Henry, of the ceramics department and assistant dean of the school of mineral industries at Penn State, will speak on the subject "Selecting China-ware for the American Home."
