needed today. When people prosper whole. in the material things of the world, they are tempted to forget their dependence upon God. Material prosperity encourages spiritual indifference. We see abundant evidence of this trend in our country today. With the national and per capita wealth greater than in any other time in our entire history, with wages high and savings accounts reaching an unprecedented total, people seem less aware of their need of God, even through the most ter-

rible war in the history of the world Dog Catcher Gets is in progress. This would not be true if people would only remember that God himself is the source of all wealth and to him should be
