Motorists Warned Of Monoxide Gas

Carbon monoxide, a deadly gas which is contained in exhaust fumes, is a menace against which every motorist should be on guard during cold weather months when car windows are closed for warmth.

Having no color, odor nor taste, the presence of the gas oftentimes cannot be detected until sickness is felt on the part of the driver and other passengers in the car, the Keystone Automobile Club points out in a warning to motorists.

Leaks in the exhaust system are most frequently responsible for the infiltration of monoxide into the car interior. During 1941, the latest year in which records are available, the U. S. Census Bureau discloses that 27 deaths occurred throughout the nation as a result of poisoning from monoxide in automobile exhaust gas. There were 609 such deaths in 1932, the highest number known in any one year.

With cars growing older, making all their parts more susceptible to deterioration, there is more danger of carbon monoxide poisoning this year than ever before. It is up to each motorist to take every precaution possible to make certain that neither he nor his family fall victim to this killer.

Following are safety measures designed as protection against carbon monoxide recommended by the club:

1. Have a skilled mechanic check thoroughly the exhaust system in your car, making any repairs necessary.
2. Always leave at least one window open a crack when in the car.
3. Always be certain that garage doors are open when starting the car.

TO RE-DEDICATE METHODIST CHURCH

Sanctuary Has Been Renovated; Rev. E. C. Myers to Give Sermon

Services in the newly-renovated Bellefonte Methodist church of which Rev. E. C. Stenger, Jr. is pastor, will be resumed on Sunday, December 3, it was announced yesterday.

Improvements just completed include the beautifying of the Sanctuary of Worship, while the Sunday school rooms have been repainted and new lights installed.

The service of re-dedication will be held on Sunday morning at 10:45 when the Rev. Elvin Clay Myers, superintendent of the Williamsport district will preach the sermon. The evening service will be at the usual hour of 7:30, when the sermon will be preached by the minister on the subject, "My Father's House."

The public is welcomed to the Methodist church, and all friends of the Methodist church are invited to visit the church whenever it is convenient.

The beautifying of the church is a climax to a number of needed improvements made during the pastorate of Rev. Stenger. A new furnace was installed just before he became pastor in 1941. The organ was completely renewed and cleaned during the first year. The second year saw institution of a financial program that for the first time in many years freed the church of debt. During the third year the roof of the building was renewed and repaired.

Home from England

After participating in a number of air raids over Germany and German-held territory as a radio operator aboard a B-17 Flying Fortress in more than two years while stationed at a base in England, T. S. Hubert Cori returned to the United States early this month and on Sunday departed for a new assignment in Colorado after spending a 21-day furlough with his parents, Mr. and Mrs. Grover C. Cori, of Pine Grove Mills.

Sergeant Cori went to England on October 15, 1942 as one of about 623 bomber crewmen in the first detachment of U. S. airmen sent to that country. He took part in raids on Berlin, Wilhelmshaven, Kiel, Bremen and many other enemy cities.

On his 11th mission, March 4, 1943, he was "hit in the back, just above the hip, by a piece of 20-mm. cannon shell during action on a raid on Hamm. At the time he was wearing one of the then newly developed flak-suits, and he gave the suit credit for saving his life.

The county airman spent eight weeks in a hospital and then returned to action, completing an additional undisclosed number of missions. His plane was shot-up a number of times, but always managed to get safely back to its base.

On several occasions while flying on missions, Sergeant Cori and other members of the crew saw deadly robot bombs on their way to England.

Sgt. Cori, 23 years old, enlisted in the U. S. Army Air Force at Lewisburg on January 12, 1942 from New Cumberland, Pa. He was assigned to Barracks, Mo., and later was transferred to Pullman, Wash., where he took special courses at Washington State College, in radio and gunnery. His next stations were in Boise, Idaho, and Bangor, Maine in October, 1942, after a 3-day furlough with his parents. He departed for England, making the trip in the "Flying Fortress" in which he later rode on many raids. He was promoted to Staff Sergeant in December, 1942.

Cori was graduated from State College High School in 1940, won his letter on the wrestling team, and was a member of the band. He was a charter member of the American Legion Junior Drum and Bugle Corps of State College, accompanying that group on two of their championship engagements. He also was drummer in the Ferguson Township Band. Prior to entering the service he was employed on farms in the State College area, and also was a salesman for Nerhood Garage in State College.

Sgt. Cori made the return trip from England aboard a Flying Fortress.

—Nathan Krauss, of East Linn street, proprietor of the Cohen Dress Shop, Sunday went to New York on a business mission. He expects to return home today.

Home from Holland

Sgt. Frederick J. Miller of the Army Engineers, Tuesday arrived in Bellefonte for his first visit home in three years. In that time he served with the armed forces in Iceland, England and more recently in Holland.

He entered the service on April 1, 1941 and is spending a 21-day furlough with his parents, Mr. and Mrs. William J. Miller, of Bush Addition. At the expiration of that time he will report to Richmond, Va., for a new assignment.

While in England Sgt. Miller met another Bellefonte soldier, Philip Emel, of Penn street, Bellefonte.

Local Man Accepts Teaching Position

Philip C. Shoemaker, of Bellefonte, who conducted a poultry business at his home on East Linn street since 1930, has accepted a teaching position in the Licking Creek Township school near McConnellsburg, and left Monday to begin his new duties.

Mr. Shoemaker, who will teach vocational agriculture, recently sold his poultry stock and equipment. His wife and daughter, Mary Augusta, will remain in Bellefonte.

Mr. Shoemaker, a graduate of the Bellefonte High School and the College, served as a captain in World War I, in which he was wounded and was awarded the Purple Heart. He also served on the Mexican border in 1916 in the former Boal Troop under the leadership of the late Col. T. D. Boal of Boalsburg. Before coming to Bellefonte, he managed one of the Boal farms at Alto in the Barrens.

Burma Missionary To Speak In County

Miss Rachael Seagrave, of Rangoon, Burma, sister of Dr. Gordon Seagrave, the Burma surgeon, will speak at the Milesburg Baptist church, Friday evening, December 1, at 7:30. She will describe her life as a missionary in Burma, and will show moving pictures taken before the war. For the duration, Miss Seagrave is teaching at Stover College, Harper's Ferry, W. Va.

Miss Seagrave will appear at the Milesburg church again on Sunday morning at the 10:45 service, and at the University Baptist church in State College the same afternoon at 4 o'clock. Miss Seagrave also will address a public meeting to be held in the auditorium of the Bellefonte High School on Monday, December 4, at 7:45 p. m.

Sponsors of the program cordially invite all interested persons to attend any of these meetings.

28-Minute Power Failure In County

The National Gypsum Company has emergency units to turn the rotary kilns in case of power failure. Titan Metal Company officials reported that while some concern was felt over the unexpected shut-down of furnaces during the failure, no damage is believed to have resulted. At the Centre County Hospital the emergency lighting system was placed in operation and no inconvenience resulted there. The Bell Telephone service also functioned without interruption, using emergency power supplies.

West Penn officials yesterday were unable to explain the cause of the failure, but said the trouble originated in Cameron county.

Two Injured In Motor Accidents

Motor accidents in Centre county during the Thanksgiving weekend caused injuries to two persons and resulted in damage estimated at about \$1,500.

Frank Marino, 42, of Brooklyn, N. Y., was admitted to the Centre County Hospital for treatment of a laceration of the scalp and fracture of the right leg between the knee and hip, suffered about 5:15 p. m. Friday, in an accident near Potters Mills.

Marino was a passenger in a Buick convertible coupe operated by Domenic Orlando, 45, also of Brooklyn. Orlando is reported to have swerved off the right side of the road when he saw another car about to emerge into the highway from a side road to the left. The Brooklyn coupe, which was traveling west, struck a telephone pole and was damaged to the extent of about \$500. Orlando escaped injury. Marino was brought to the hospital in the Wednesday ambulance.

One person was injured and nearly \$1,000 damage resulted in two other accidents.

A sedan operated by Clarence Phillips, 48, of Reedsville, struck a sedan operated by Miss Kathryn Krout, 18, of near Pleasant Gap high hatching at 2:10 a. m. Thursday. The accident happened as the machines, going in opposite directions, were rounding the curve at the Thomas Jodon farm located between Axemann and Pleasant Gap.

O. H. Snook, 69, also of Reedsville, a passenger in the Phillips car, suffered lacerations of the face and head. Damage to both machines was about \$300. Phillips was arrested on a charge of reckless driving. State Police from the Pleasant Gap sub-station, who investigated, said:

A sedan operated by Melvin D. Snare, 36, of Rebersburg, was damaged to the extent of about \$250 and a truck operated by L. B. Smith of Mill Creek, Huntingdon county, to the extent of \$100, when they sideswiped on Route 45, about two miles east of Centre Hall at 10:30 p. m. Wednesday, as the machines were traveling in opposite directions. After striking the left rear of the truck, the Snare sedan continued on about 200 feet, ran into a fence and upset. Snare was arrested and charged with reckless driving. State Police from the Pleasant Gap sub-station said:

Shots Self In Foot While on Hunting Trip

Sergeant Harry Ormsby, Jr., of Tyrone, just back from two years' service overseas, was seriously injured Tuesday morning while hunting near Warriors Mark. The young soldier, home on furlough, had his gun pointed toward his ground when it accidentally discharged. The full load of the shotgun passed through his left foot just back of the toes. The shoe was practically blown from his foot.

Clark Eidenberger and Arthur Matchley, who were hunting nearby, discovered the plight of the young soldier. After receiving temporary treatment at the office of Dr. H. W. Wilson at Warriors Mark the injured man was taken to the State hospital at Philipsburg. His condition was reported as good last night. He has a wife and a young son.

To Collect Salvage In Gregg Township

The monthly collection of waste paper will take place in Gregg township on Saturday, December 2, according to a recent announcement by the Salvage Committee of the Gregg Township Civic Club.

Funds from the sale of the material are used to defray expenses of the Service Committee of the Civic Club, whose work it is to keep in touch with the members of the armed service from Gregg township. This committee recently sent a Christmas letter and package to all Gregg township service men and women.

Residents are asked to have salvage materials placed in front of their homes early Saturday morning of this week.

Major Walker after over three years of flying supplies and personnel through enemy fire, has asked for combat duty and is now stationed in France with a B-25 bomber group. He has not been home for 2 1/2 years.

Corporal Richard Walker received his B. S. degree after having left Drew University in his senior year in February 1943, to join the Army Air Forces. He was transferred because of an aptitude for languages to "Strategic Languages" and has completed an intensive course in Chinese at University of Pennsylvania, in which he is rated as fluent. Because of his work at the University of Pennsylvania, Drew University honored his credits and graduated him cum laude. He is awaiting assignment to China.

Both brothers are former students of the Bellefonte High School.

G. I. VOTE GIVES DEWEY 12 LEAD

Military Ballots Show Majorities for All Republican Candidates

Centre county men and women in the armed forces voted almost along the same party lines as their friends and relatives at home. It was revealed Monday afternoon when the County Commissioners completed the tabulation of the G. I. vote. All Republican candidates received majorities.

Of 1316 ballots received from those in the service, 10 were set aside as being invalid because of being improperly marked, because the affidavits on the outer envelope were not properly signed, because the voter is not a resident of Centre county, and for other reasons under which military ballots, by law, could not be counted.

Although the soldier vote gave majorities to all Republican candidates, Governor Dewey "carried" the county by a majority of only 12 votes, the tallies being: Roosevelt 637, and Dewey 649.

The other G. I. totals were: U. S. Senator: Myers, D., 556, and Davis, R., 704. Supreme Court: Jones, D., 551, and Hughes, R., 709. Superior Court: Res. Dem., 609; Rhodes, D., 543; James, R., 657, and Gray, R., 613. Auditor General: Wagner, D., 565, and Watkins, R., 658. State Treasurer: Black, D., 552, and Baird, R., 702. Congress: Clark, D., 560, and Brumbaugh, R., 697. General Assembly: Knies, D., 521, and Frost, R., 743.

This vote was counted by the three Commissioners, O. P. McCord, Harry V. Keeler and Fred C. Mensch, and their two clerks, Harry Burd and Mark W. Williams. During the proceedings which were held in the court room, watchers from both major parties were present.

Local School Children To Be Given Tuberculin Tests in January

Dr. Arthur P. Davis, of the physical education department of Penn State, and Mrs. Roy Wilkinson, of Bellefonte, chairman of the local tuberculosis society, and Mrs. R. S. Kirby, of State College, were speakers at a meeting of the Bellefonte Women's Club in the Presbyterian chapel, Monday night.

A program of Christmas music was played by Mrs. Louis Schad's string ensemble, consisting of Mrs. Schad, director; Ernest Martin, cello; Mildred Hochman and J. E. Dubbs, violins; and Joan O'Hara, accompanist. Mrs. Ernest Martin led in group singing of Christmas carols.

Mrs. Harry Jones, club president, was in charge of the business session and the program was in charge of Miss Kathryn Burket, program chairman.

Dr. Davis said that tuberculosis is still the leading cause of death among persons between 15 and 35 years of age, and that 18,000 men in Pennsylvania were rejected for military service because of tuberculosis. He pointed out that the disease can be cured if treatment is begun early.

Mrs. Wilkinson reported that tuberculin tests will be given all Bellefonte school children by Dr. E. E. Phillips, of Philipsburg, from January 1 to 15, and that if necessary, x-ray examinations will be given for a small fee. The tuberculosis committee will underwrite the x-ray fees for those unable to pay.

The club voted to petition the County Commissioners to conduct a survey of neglected children in this area as soon as possible.

Reports were made on the activities of the various club sections as follows: American Home, Mrs. W. J. Enrick; Drama, Mrs. Eleanor Wood; Music, Betty Lockman; and Junior Section, Mrs. Max Kofman.

Following the program a social hour was enjoyed and refreshments were served.

WOMEN'S CLUB IN REGULAR SESSION

Approximately 45 members attended a meeting of Women of the Moose, Bellefonte, in the I. O. O. F. Hall last Wednesday evening. Lillian Nighthart, senior regent, presided at the meeting. The program was in charge of Mary McSully, library chairman, who introduced Mrs. Elizabeth Blanchard Beach, president of the Centre County Library Association.

Mrs. Beach told of the work of the library and pointed out that there is always a great demand for good books and that the library would gladly accept any books or donations that may be offered. The chapter voted to donate \$10 to the library for the purchase of books and members of the lodge donated 27 books to the library committee to send to Moosehead.

Members also voted to present \$15 to the American Legion for use in the preparation of Christmas boxes for the service men in the hospitals and a large and varied collection of gifts was gathered by the members to be sent to Mooseheart and Moosehaven for Christmas.

Following a solo by Mrs. Grace Young, refreshments were served by the library committee.
