## LLECTRIC CLOTHES DRYER Eliminates the Wash Line!

 Tomorrow's wash line will be an electric clothes dryer. This pre-war proved appliance gives complete independence from the whims of the weather. It damp dries an average washer load of clothes in a mere 15 to 25 minutes-gets them absolutely dry in just a few minutes more.

• The electric clothes dryer is the logical companion to the new automatic home washer. It speeds washday happily to its conclusion, saving you much work and inconvenience. Plan now for your clothes dryer when they are again available.
