You can't tell a Toni from naturally curly hair!

You just can't tell a Toni wave from naturally curly hair. That's because Toni has the gentlest waving lotion known plus the new wonder neutralizer, Permafex. Permafex is far more effective than old-fashioned neutralizers. It actually conditions your hair... leaves your wave silky-soft at first combing... makes your wave last far longer... look more natural. Come in and ask for new Toni with Permafex.
