SCOTIA
(By H. M. Williams)
Many of the folks in our community are recovering from that awful cold and gripe which has hit almost everyone including the writer and wife who had a week's siege of it.
Mrs. Nora Gray Thompson, who has been bedfast for quite a number of months, is still about the same, as there don't seem to be any improvement in her condition.
Visitors at our home on Sunday were Mrs. Lester Stevens and Mrs. Forest Davison of Stormstown, and Mrs. Oscar Hampton of Tyrone. Other visitors last week were Mr. and Mrs. James A. Young, Mrs. Raymond Young, Mr. and Mrs. Richard Myers and Mrs. William Roan, all of Bellefonte.
Charles Rosenbery, who has been on the sick list for a few weeks with a heart condition, isn't much improved at this time.
Last Friday the writer drove up to Scotia to look over the Ten Acre pond and see how the duck crop was there, and of all the quacking there was on that pond. We saw quite a number of ducks but from the amount of quacking going on there, there may be a couple hundred ducks on the pond and it reminded us of the days when we lived at the mines and come a rainy day how quite a number of us would go duck hunting, and our dog Jack was out water hunting and would swim in and bring out the ducks as they were shot.
Ralph Rudy of State College, has accepted the job as farmer on the Sunset Farm which was left vacant by Francis Lucas who moved to near Jersey Shore a week or so ago. Farm boss Ray McGhee has informed us that he is now able to be out and around over the farm each day.
The Elmer Long have family have moved into their new home which they have completed enough to accommodate them until the house is completely finished.

WINGATE

We were sorry to learn over the radio of the sudden death of Arthur J. Rockey. He lived in Milesburg and was well known to the people of Wingate.

Mrs. Florence Lucas attended the funeral of Arthur Rockey last Friday afternoon. The funeral was well attended despite the rainy day.

Miss Mildred Tatt motored up to Addison, N.Y., last Monday a week ago to spend a week with relatives and friends. She will return home on Sunday.

Miss Maude Robb accompanied a car-load of friends from Pleasant Gap to Phillipsburg and attended the Tabernacle meeting last Sunday evening a week ago.

Well, we had a pour down of rain last Friday and it put a great deal of water in Mrs. Florence Lucas's cellar, and Mrs. Maude Robb's. The radio reports high flood waters in New York, Mississippi and other places—I forgot the names of the other places. Families were chased out of their homes by the high waters.

Well, let's hope the weatherman gives us nice days to get the garden made and planted.

Mrs. Florence Lucas visited the Sunday School and church at Bush Hollow last Sunday morning.

EDITOR: Please publish this to warn the undogly.

Mrs. Florence Lucas wishes to warn the people of New York and Mississippi and other places to get down on their knees and pray and read their Bibles. It can be said that they live too far from God and God has promised the undogly if they didn't repent and ask Him to help them and guide them he would send floods. This is His first warning and the next time he will send fire and flood. Then if they don't repent He might not come again. Here is the answer—THE WAGES OF SIN IS DEATH! Remember God's spirit can't (always) strive with man. Why not give him a chance with your souls now or your souls are lost to the devil and his angles. WHAT A TERRIBLE FATE! Take this warning. Also funmakers will land in Hell and I will laugh at their calamity then.

The article in last week's paper concerning the Ministerial Association legalizing baseball and basketball playing on Sundays from 2 to 3 or from 3 to 5... well, good Christians wouldn't legalize no such Sunday ball games for God forbids these games on Sunday. God does not look on them whatever. I will vote NO. I am a good thinking Christian and I won't approve it. Remember the Sabbath and keep it holy. If you break one Commandment your are just as guilty as if you broke them all.

Mrs. Florence Lucas has been confined to her Wingate home by illness this week.

"It's smart to cook with an automatic GAS RANGE"

Says—ELIZABETH TAYLOR
CO-STARRING IN M.G.M.'S
"FATHER'S LITTLE DIVIDEND"

Now! Spring Style Show of the newest in Gas Ranges at your dealer's!

THERE'S a world of difference between the gas ranges of even a few years ago and the 1951 models!

The new automatic gas ranges look better, cook better and save you more time and work than you ever thought possible.

Broiling in a new automatic gas range is smokeless. You're sure of baking and roasting success because the automatic oven heat control maintains the exact temperature you want... because continuous circulation distributes the heat uniformly to every part of the oven. The clean blue flame of gas gives you visible heat for surface cooking... greater speed... instant response to control... and proved economy.

Be smart... really smart! See the Spring Style Show of the new automatic gas ranges at dealers' or in our showrooms today.

Three questions to ask about any automatic drive —

Before you buy any new car today, ask these questions about its automatic drive...

flexible as it should be. (With Packard Ultramatic Drive, you can change instantly from Forward to Reverse.)

matic Drive lets you cruise in solid, direct drive at all cruising speeds.)

Does it end clutch-pushing and gear-shifting? If the answer is "No," then it isn't as simple and smooth and safe as a modern automatic drive should be. (In Packard Ultramatic, there's no clutch-pushing—and no gear-shifting.)

Does it cruise in solid, direct drive? If the answer is "No," then it isn't as efficient as it should be. (Packard Ultramatic Drive leads the field. Come in—drive it! ASK THE MAN WHO OWNS ONE

On these three counts—and on every count—Packard's exclusive Ultramatic Drive leads the field. Come in—drive it! ASK THE MAN WHO OWNS ONE

HOW TO BE A "SQUARE SHOOTER"
On Party-Line Telephones

WHEN YOU PLAY FAIR AND SQUARE with your party-line neighbors...when you share the service courteously...you'll almost always find the courtesy returned!

Suppose you want to make a call and find the line in use. If you hang up gently and give the other person a few minutes to finish his call before trying again, your courtesy is appreciated. And suppose, while talking, you realize that your neighbor wants to make a call. He'll appreciate it if you hang up in a few minutes and free the line.

That's "square shooting." It pays dividends!
