Council To Hire—

Council also passed on first reading an amendment to the coal weighing ordinance. The new legislation is designed to close a loophole in the present law which does not cover delivery of coal. Closer checks will be made on weigh slips issued by coal dealers and enforcement of the five-cent barge fee per weigh slip will go into effect.

Ted R. Colgrove, chairman of the Special committee, said the legal staff of the Civil Aeronautics Authority is working to establish ownership of the hangar and marker lights at the Bellefonte airport. If they are owned by the borough, they will be offered to flying clubs for use at another location. Should the project prove too large for the clubs, the items will be offered the Airport Authority.

A barricade will be placed on a portion of the sidewalk near Bishop and Allegheny Streets, pending permanent repairs made by the owner, it was decided.

Dan Grove, Town Improvement committee chairman, said conferences have been held with Mrs. George B. Thompson, relative to the "Thompson" plot near Spring Creek to the borough. The land was to have been used as a playground.

Chief of Police Charles DeWitt told council the dog pound at Phoenix Mill has been constructed and his department will now be able to enforce the dog law ordinance. Chief DeWitt reported that fees collected by his department for the first quarter of this year would be about \$1,000 over the same period last year. He said placing the police office on a 24-hour basis and the additional clerical help aided in boosting the total collections.

stated. Later, the youngster was watching his mother wash and had wandered away about ten minutes when Mrs. McCool started to search for him.

Mr. Weber said the woman went to the stream and saw the boy's sand bucket in the water and the lid of the well. She found the boy headfirst in about two and a half feet of water. It was believed the boy had started to play and lost his balance.

He was taken to the hospital by Mrs. McCool and a neighbor, Paul Kellerman.

Philip Walter McCool was born in Bellefonte July 20, 1948, a son of Walter and Jean Herb McCool. A brother, Kenneth, aged seven months, survives.

His maternal grandparents, Mr. and Mrs. Kenneth Fiedler of Lock Haven, and his paternal grandmother, Mrs. Isabelle McCool of Pleasant Gap, survive.

Services were held at the Fiedler home at 914 E. Church street, Lock Haven, Wednesday at 2 p. m. with Rev. Gail Norris officiating. Burial was made in Resthaven Memorial Park.

streets and roads and declared that ninety per cent of highway maintenance results from drainage problems. He cautioned that while roadside traffic signs are necessary, boroughs should avoid the danger of having too many such signs.

His special problem in Centre county, Mr. Leitzell declared, is to discourage the dumping of garbage and other refuse along the highways, while overloading of trucks presents another matter which requires constant attention.

He strongly advocated that boroughs use rock salt for snow and ice removal on macadam streets, declaring that a test by the Highway Department showed salt to be highly effective at approximately one-fourth the cost of the usual plowing and churning procedure.

Mr. Corter spoke on problems of municipally-owned utilities and Mr. Cowell spoke on the subject of "Special Assessments."

Those present were: Clair Hall, Mrs. Myra Buddinger and James Shaw, of Snow Shoe; Milton B. Hoover and George Gentzel, of Milesburg; J. Blair Holtzworth and John Reish, of Unionville, and Nevin R. Smith, Donald Pardee, Larry Justice, Dan Grove, William Ferree and Paul M. Dubbs, Bellefonte.

missioners' office. More recently he was employed as purchasing agent for Sanderson and Porter on the erection of the West Penn Power plant at Milesburg.

In announcing his candidacy for the County Treasurer position, Mr. Williams said:

"I have always been a staunch Republican. I am married and am a member of the First Presbyterian Church of Bellefonte, serving as a member of the board of trustees of that church for several years. I am a past exalted ruler of the Bellefonte Elks Lodge and last year was elected District Deputy Grand Exalted Ruler of the Elks for the North Central District of the state."

"I believe that my experience in serving the public has qualified me to serve the public for the next four years as County Treasurer. If you see fit to nominate me and elect me to this responsible position, I will serve the people of the county to the best of my ability."

Game Feeding Plan Scheduled Sunday

(Continued from Page One)

Inclement weather forced the postponement of the game feeding program planned last Sunday by the Aero-Game Feeding Club, Inc., of Kertaus and the Allegheny County Sportsmen's League. The event is scheduled to be held this Sunday at Black Moshannon airport.

George Narehood, club president, reported planes from the armed forces were grounded by bad weather at their bases. About 40 aircraft are expected to participate in Sunday's maneuvers.

Girl Scouts Plan Scrap Collection

(Continued from Page One)

The Senior Girl Scouts of Bellefonte will begin their scrap drive for the collection of tires, rags and all metal except tin at 8 a. m. Saturday, residents were reminded.

Scouts will man trucks donated by Hodes, Titan Metal, Kofman,

Centre Oil & Gas Co., Lingenfeller Motors and Decker Motor Co.

(Continued from Page One)

Proceeds of the drive will be used to establish "Camperships". Each campership will send one scout to Camp Barree this summer.

The shrinking dollar seems to command universal respect without regard to its purchasing value.
