Members of the Spring Township School Board reported Monday that Board had received a request a cost-of-living increase for teachers in township schools. The amount asked is \$200.

The board said it is considering the request and will take what action is possible. Members reported also that the representative of the Peterson Penmanship Company requested an increase in fees.

At a recent meeting, the Board moved to purchase the former high school building at Pleasant Gap to handle eighth grade pupils next year. The building is now being used as a postoffice and community

Local Boys Compete In **FFA Contests**

This week a number of local boys from various schools in Centre County participated in an elimination contest to determine who would represent Centre and Clearfield counties at the State Future Farmers Contests to be held in June at State College

After the contest had been completed on the local level, a public speaker was selected. He is James Grove, of Gregg Township High School, and his teacher is John Zubler. Grove will represent the Centre-Clearfield Area in June. The boys placing second and third were Frank Thompson, Curwensville, and Ordell Bressler, Clearfield, Thomp son will be used as alternate. The judges of the public speaking

ontest were Earl K. Stock, Assis ant Superintendent of the Centre County Schools: John Dubbs, English Department, Bellefonte High School, and Charles Mensch, Editor, Keystone Gazette. The judges indicated that the competition was very close and that all talks were Parris Island, S. C., by receiving a well prepared and very well pre-

Further eliminations, including former post, outside Cheyenne. the greater area, will be conducted this weekend at State College. There is every reason to believe that these boys will probably survive these contests to take part in the main contest in June when the state will conduct these and many other contests of an agricultural nature among 10.000 F.F.A. members from the state. There are about 500 F.F.A. boys in Centre-Clearfield counties ttend the classes to be held at the who are eligible for the above con-
