Mrs. Claude Witmer visited her aunt, Mrs. Anna Gray, at State College, Tuesday.

HEDGES ARE POPULAR—Flowering hedges are becoming more popular each year. A O. Rasmussen, Extension ornamental horticulturist of Penn State, names spruce, deutzias, forsythias, and Regel's privet as good examples. He also suggests a new type of hedge known as the dwarf corksburg for use as a lower hedge.

Almost anybody can justify whatever is done and believe it.
