

AMAN WITH A MEMORY

Amzi Smith, Superintendent of the Senate Document Room, HAS NO FEAR OF LOSING HIS JOB, Because in His Fifteen Years Official Experience He Has Never FORGOTTEN A FACE, NAME OR NUMBER

SPECIAL TELEGRAM TO THE DISPATCH

WASHINGTON, April 21.—Washington is a city of curious characters. There are more unique people in the public service here than there are gathered together in one place in any other part of this great country.

A man must be exceptionally bright or exceptionally dull to remain in the public service for any great length of time. Very often a man is found who is so especially well adapted to certain work that his superiors hesitate to remove him, for fear that the public service will suffer seriously without him.

A MATTER OF PARTY.

In the service of Congress the conditions are entirely different. The civil service rules which are applied to appointments to public office in the departments do not govern here.

There are exceptions to this rule in the government of the Senate, for that body affects a dignity which will not permit it to squabble over the distribution of small political favors.

A COINCIDENCE. I spoke of the recurrent introduction of the same bill in two or more successive Congresses. This is complicated by the introduction of like bills in House and Senate.

THE MAN WITH A MEMORY. Among public men and others with whom he has been brought in contact, Amzi Smith is known and identified as "the man with a memory."

HE NEVER FORGETS. Think, too, of the necessary doubling caused by the introduction of like bills in two or more successive Congresses, with the consequent puzzle growing out of the change of number.

Two Policemen Married. Two police officers of the Third district, Southside, were married last evening. Officer J. J. Grogan, who has had charge of a beat on Mount Washington for several years.

Italiane Raided. The police raided Mike Sarantango's place in the East End last night. Fifteen Italians were captured. They have been in the habit of laying in a supply of beer on Saturday night and spending the Sunday morning and fighting. The neighbors got tired.

Girls' Tricycles and Boys' Velocipedes. Tricycles for girls from 4 to 7 years, 7 to 10 years and 10 to 15 years. Boys' velocipedes, all sizes, and boys' bicycles from 4 to 12 years, at J. G. Lauer's Toy House, 620 Liberty st.

At \$12.50 each, a specially attractive vest front jacket, all sizes and colors. M.W.F.S. HUGGS & HACKER.

FREE FARMS FOR ALL

These lands at once. Therefore I say the excess of immigration into this country, while entailing temporary hardships upon the disappointed settlers, will be conducive to great national prosperity in the end.

A MATTER OF REPERT.

"It is a matter of serious regret that the Senate bill to furnish a lawful government to the people who would have settled on these lands, and would have in perfect confidence and displaced all fears of violence."

A TERRITORIAL CONVENTION.

"The Mayor of the city should next cooperate in issuing a call for a Territorial Convention to be composed of delegates from every municipality or center of population."

PLENTY OF COURTS.

"The United States Court recently established in the Indian Territory, to be held at Muskogee, will have jurisdiction in all civil cases involving more than \$100 and in all criminal cases, the punishment of which is less than death or imprisonment in the penitentiary."

A FEMALE FIREBURG.

Linn Troubled With an Incendiary, Who is Said to Be a Woman. April 21.—The firebug, who operated in the northwestern portion of this city last fall and set fire to dozens of buildings, seem to have returned again, and last night set fire to the kitchen adjoining the residence of John Franks, on West Wayne street.

WEIHE IS SANGUINE.

The Amalgamated Association President Anticipates no Scale Troubles This Year. YOUNGSTOWN, April 21.—President William Weihe, of the Amalgamated Association, who has been visiting the rolling mills here and throughout the Mahoning Valley, left this morning for Pittsburgh.

A Cigar Store Robbed.

Thieves entered George Lang's cigar store on Center avenue early yesterday morning, taking \$21 and a quantity of cigars. They then tried to break into James Cavanaugh's place, but were frightened off.

Nine Pints Broken.

At Bryce Bros.' flat glass house, on South Twenty-first and Wharton streets, nine pints were broken, and the firm has decided not to replace them. It is alleged that a scarcity of work makes the pots unnecessary.
