Your Money.—Perhaps you are different from other folks, but we don't believe it.

You want your money to buy the most it possibly can.

This holds good in medicine. But remember that the wise man puts quality ahead of quantity.

Paine's Celery Compound is in as large a bottle as any other dollar medicine, and with as small a dose;

we know it contains more of that health-giving power you need this Spring.

Made from the choicest medicinal plants, prepared in accordance with the best scientific knowledge,

a little of this medicine invigorates your run-down system. Benefit usually is seen from the first dose.

Of course if you suffer from long-standing rheumatism, blood poisoning, or nervous prostration, you can't be cured in a day.

But we will guarantee our medicine to cure these diseases if directions are faithfully followed.

Use Paine's Celery Compound and regain your vigor, your vitality, your energy, your health.

ELEVEN YEARS A SUFFERER. Speechless One Month. Mrs. Humbert's Statement. Cured by One Magneto Treatment.

By Dr. Smith, at 502 Penn Ave.

Mr. George Humbert, who resides at Perrott City in Butler county, Pa., has been a sufferer for the past 11 years.

Every part of his body seemed to be diseased. He suffered intense pain in the head and through his lungs and shoulders.

Every joint in his body was sore and painful; he was depressed, all the doctor did was to apply his hands to the afflicted parts.

Mr. Humbert tried a large variety of proprietary medicines, but to no purpose. When she applied to Dr. Smith she had given up hope.

But the doctor encouraged her and said he could help her. Dr. Smith gave her one magnetic treatment of not more than ten minutes and restored her voice.

She was able to do her work as usual and at the same time cured all the rest of her ailments.

She returned to her home a well woman. This cure was performed without a dose of medicine.

Dr. Smith is permanently located at 502 Penn avenue, where everybody can go on 9 A. M. to 7 P. M.

The doctor consults free and cures all other ailments. He treats every form of disease known to humanity.

Go to Dr. Smith and consult him if you wish to get well. Letters of inquiry must contain no stamps.

15 DOCTORS FAILED

To cure Mrs. Thomas Hutton, and she suffered for 13 years. The aches and pains which she experienced in almost every part of her body were simply terrible.

These sharp, cutting pains across her back and lower part of her body were most unbearable. In fact she suffered with these diseases and conditions peculiar to women.

For three months her mind was unbalanced, and for months she was confined to her bed. She became very weak and emaciated, so that she only weighed 85 pounds.

Not one expected her to live, much less get entirely cured. After receiving three months' treatment with the physical of the Catarrh and Dyspepsia Institute, 525 Penn avenue, who make a specialty of her disease, she says:

"I never wanted one to suffer as I have for the past 13 years. The condition of my case was much worse than has been described, and I am only too glad to testify to my complete cure by the doctors of the Catarrh and Dyspepsia Institute."

MRS. THOMAS HUTTON, Putnam, Pa.

The above lady physician can be consulted by ladies suffering from diseases peculiar to their sex. The medicines used are positively curative and are prepared so as to allow the patient to use the treatment herself.

We treat successfully Catarrh, Rheumatism, Dyspepsia, Bronchitis, Asthma, Blood, Kidney and Office Diseases.
